Parents may access their child's meal account online. To set up a new account - Type in the link: www.myschoolbucks.com Also, available on the Nutrition Services tab on the PVUSD website at www.pvusd.us

You will need your student's ID (not their lunch #). The ID# is on their report card, or can be obtained from the school or Nutrition Services Department at 922-4164 ext. 1222. You can view your child's daily transactions and set up low-balance email reminders, at no charge. If you choose to make payments online, there will be a \$1.95 convenience fee. For every 10 meals paid online into the positive, receive 1 free meal. Payments are also accepted at the school office, district office or during breakfast.

APPLICATIONS

Complete and return a meal application to the school or the Nutrition Services Department Your application will be processed according to USDA guidelines, using the 2016-2017 scale of family size and income. You will be mailed a letter indicating whether the application was approved for free meals, reduced meals, or denied. Be sure to read the letter carefully for the eligibility and students names. Your application may be returned if additional information is required.

Last year's eligibility is effective until September 29, 2016. If you do not have an approved meal application on file as of that date, your student will need to pay full-price for school meals.

Applications will be sent home with every student and are available through the schools, district website and the District Office at 295 N. First. Only one application is needed per family.
