ADDENDUM NO. 1
PALO VERDE UNIFIED SCHOOL DISTRICT
REQUEST FOR QUOTATIONS (RFQ)
Wide Area Network – WAN -180006454

This addendum is issued to clarify the previously issued bid documents and/or given for informational purposes, and is hereby made a part of the bid documents. Please attach this addendum to the documents in your possession. **Per the RFQ, the proposer shall acknowledge receipt of any and all addenda, if any, listing the Addenda by number(s) and date(s) in their Letter of Interest**

In the case of conflict between RFQ and any applicable documents this Addendum shall govern. The following Multi-Mode requirement listed throughout this RFP is waived as long as the proposer can provide the bandwidth and network scalability as required by the District. Additionally the use of virtualization is not required by the proposer.

Although this change in scope may be considered a Cardinal Change and would require a restart of the 28 days (Allowable Contract Date) by USAC, the RFP due date will remain 2/20/2018 by 3:00 p.m. PST as it still falls within the allowable timeframe.
