3. **“Superintendent”:** shall mean the Chief Executive Officer of the District or designee.
4. **“Unit Member”:** unless otherwise clearly indicated by the context, shall mean any person employed by the District in a position or classification which is included within the recognized or certificated negotiating unit described in Article 2 – Recognition.

## **ARTICLE 2 – RECOGNITION**

For the term of this Agreement, the Board of Trustees of the Palo Verde Unified School District recognizes the Teamsters Union Local 542 as the exclusive representative for the following unit:

**Included:** All regular full-time and/or part-time contract certificated employees identified as Counselor, Psychologist, Speech Pathologist, District Nurse II and Head Mental Health Support Counselor.

**Excluded:** All management employees as defined and listed in Board policy; all classified employees; all supervisory and confidential employees; all casual or limited term personnel; all teachers; all nurses; all librarians; all categorically funded teachers; all substitutes; all temporary employees as defined in Education Code Sections 44920 and 44918; all hourly certificated personnel; and all summer school and home teachers.

However, the Union shall have the right to seek unit clarification by PERB proceedings on any new titles not specified in the above unit description. Nothing agreed to herein will prevent adjustments to the unit to be made upon mutual agreement of the District and the Union.

Disputes concerning the Article are not subject to the grievance provisions of Article 8.

## **ARTICLE 3 – AGENCY SHOP**

### **Section 1. Preamble.**

This Contract is entered into by the Palo Verde School District (hereinafter “District”) and Teamsters Union Local No. 542 (hereinafter “Union”) as a mutual recommendation to the Palo Verde School District of the procedures for the initial implementation and subsequent administration of any agency shop arrangement entered into by the parties, as authorized by Government Code Section 3546 (Educational Employment Relations Act and Senate Bills 1960 and 614).

**Section 2. Purpose.**

The District and the Union mutually understand and agree that all affected employees have the right to join or not join the Union. It is the purpose of this Contract to establish fair and equitable procedures for the determination of any agency shop arrangements which may be properly approved by the District employees in eligible job classifications in the unit represented by the Union and to protect the rights and privileges of the employees, the Union and the District.

**Section 3. Excluded Employees.**

An agency shop arrangement shall not apply to management, confidential, or supervisory employees. Therefore, the supervisory employees in the unit are excluded from any requirement to participate in an agency shop arrangement and are not covered by this Contract.

**Section 4. Identification of Included and Excluded Classes.**

Employees in classifications in the unit are eligible for inclusion in an agency shop arrangement except for employees in current and future classifications that are supervisory. The current excluded supervisory classifications in each unit are identified in Article 2, Recognition.

#### **Section 5. Prior Notification to Employees.**

Prior to the implementation of an agency shop provision agreement, the Union shall notify all employees in the applicable unit of the agency shop agreement and shall provide sufficient information to fully inform all affected employees of the purpose of the agreement. This notice shall include a full disclosure of the amount of potential union dues and service fees that will be deducted from each employee's pay as a result of the implementation of an agency shop agreement.

#### **Section 6. Employees' Responsibilities.**

Within thirty-one (31) days of employment by the District or thirty-one (31) days following the commencement of an agency shop arrangement pursuant to an agreement, employees shall have the choice of either becoming a member of the union, or of being a non-member and paying a service fee.

#### **Section 7. Implementation of Agency Shop.**

1. **Notice to Employees:** Within thirty-one (31) days of the agreement for an agency shop arrangement, the District will provide employees in the unit and any employees hired thereafter into classes in the affected unit with an authorized

notice advising them that an agreement has resulted in an agency shop arrangement and that all employees must either join the Union, pay a service fee to the Union, or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a form for the employee's signature authorizing payroll deduction of Union dues or a service fee, or a charitable contribution equal to the service fee. Affected employees shall have thirty-one (31) calendar days from the date they receive the form to fully execute and return it to the District.

2. **Sufficiency of Employee's Earnings:**      The employee's earnings must be sufficient; after all other legal and required deductions are made, to cover the amount of the dues or fees authorized. When an employee is in an unpaid status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee in an unpaid status during part of a pay period, whose salary is insufficient to cover the full withholding, no deduction shall be made. All other legal and required deductions, including health care deductions, shall have priority over dues and service fees.

### **Section 8. Employees' Rights of Conscientious Objection.**

An employee who is a member of a bona fide religion, body, or sect that has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of employment. The employee may be required, in lieu of periodic dues, initiation fees, or agency shop fees, to pay sums equal to the dues,

initiation fees, or agency shop fees to a non-religious, non-labor, charitable fund, exempt from taxation under Section 501(c) (3) of the Internal Revenue Code, chosen by the employee from a list of at least three of these funds as designated in this Contract.

**Section 9. Designation of Non-Religious, Non-Labor Charitable Funds.**

Employees covered by Article 3.4 may designate one of the following non-religious, non-labor charitable funds to which his/her applicable payments will be paid:

- Veterans of America
- American Cancer Society
- Blythe Cancer Resource Center
- Blythe Emergency Food Pantry
- Sheltering Wings Corporation
- Harmony Kitchen

Declarations of or applications for religious exemption and any other supporting documentation shall be forwarded to the Union within fourteen (14) calendar days of receipt by the District. The Union shall have fourteen (14) calendar days after receipt of a request for religious exemption to challenge any exemption granted by the District. If challenged, the deduction to the charity of the employee's choice shall commence, but shall be held in escrow by the District pending resolution of the challenge. Charitable contributions shall be by regular payroll deductions only.

**Section 10. Union Membership or Service Fee.**

Employees shall not be required, as a condition of continued employment, to join the Union. Instead, an agency shop arrangement requires the employee, as a condition of continued employment, either to join the Union, or to pay the Union a service fee in an amount not to exceed the standard initiation fee, periodic dues, and general assessments of the Union.

#### **Section 11. Permissible Uses of Service Fee.**

The service fees charged by the Union to non-members covered by an agency shop arrangement is your fair share of the costs of sustaining the Local Union's broad range of programs in support of you and your co-workers. The service fee represents only that portion of the Union's expenditures devoted to collective bargaining contract administration, grievances and arbitration, and other matters affecting wages, hours and other conditions of employment. These are called "chargeable" expenditures and will include for example: the cost of negotiations with employers; enforcing collective bargaining agreements; handling employees' work related problems through informal meetings with employer representatives, the grievance procedure or hearings before administrative agencies; union administration; and litigation related to any of the above. The service fee is only for "chargeable activity".

#### **Section 12. Payroll Deduction.**

Teamsters Local 542 will notify the District Manager, in writing, of the current rate of membership dues. The District will be notified of any change in the rate of membership dues thirty (30) days prior to the effective date of such change. Upon

completion of dues deduction, the dues shall be forwarded to Teamsters Local 542 forthwith.

### **Section 13. Prohibited Uses of Service Fees.**

The service fee collected by the Union from non-members shall not include any expenses incurred for political action and organizing expenses.

### **Section 14. Procedure for Challenging Amount of Service Fee.**

The Union agrees to assume full responsibility to insure full compliance with the requirements laid down by the United States Supreme Court in *Chicago Teachers Union v. Hudson*, 106 S.Ct. 1066 (1986), with respect to the constitutional rights of non-member service fee payers. Accordingly, the Union agrees to do the following:

1. Give thirty (30) days advance notice to non-member service fee payers of the amount of the fee and a full explanation of the basis for the fee, including the major categories of expenses, as well as verification of same by an independent auditor.
2. Advise non-member service fee payers of an expeditious and impartial decision-making process before an impartial decision-maker mutually selected by the parties, whereby non-member service fee payers can object to the amount of the service fee.
3. Place the amount in dispute into an escrow account pending resolution of any objections raised by non-member service fee payers to the amount of the service fee.

Any dispute concerning the amount of the service fee and/or the responsibilities of the Union with respect to service fee payers shall not be subject to the grievance and arbitration procedures contained in a comprehensive of Agreement between the parties.

**Section 15. Financial Reporting Requirements of the Union.**

The Union shall keep an adequate itemized record of its financial transactions and shall make available, annually to the District the employees who are covered by an agency shop arrangement, within thirty-one (31) days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by a certified public accountant.

**Section 16. Process for Rescinding Agency Shop.**

An agency shop arrangement may be rescinded by a majority vote of all the employees in the unit, provided that:

1. A request for such a vote is supported by a petition filed with the District Employee Relations Officer containing the signatures of at least thirty percent (30%) of the employees in the applicable unit; and
2. The vote is by secret ballot; and
3. The vote may be taken at any time during the term of the Agreement, but in no event shall there be more than one vote taken during the term of the collective bargaining agreement.

**Section 17. Union Indemnification.**

The Union shall indemnify, defend and hold harmless the District and its officials, representatives and agents against any and all claims, demands, suits or other forms of liability (monetary or otherwise) and for all legal costs that shall arise out of or by reason of action taken or not taken by the District regarding an agency shop arrangement. If an improper deduction is made, the Union shall promptly refund any such amount directly to the employee.

**Section 18. Effect of Legislative or Judicial Revision, Reversal or Interpretation.**

In the event that the agency fee provisions contained in Govt. Code Sec. 3546 are reinterpreted, revised or reversed by action of the California Legislature or by Judicial determinations pursuant to legal challenges, this Contract shall be revised or nullified accordingly in whole or in part.

**ARTICLE 4 – CHECK-OFF**

**Section 1.**

The District agrees to withhold and to remit promptly to the Union the initiation fee and monthly dues from the pay check of each employee covered by this Agreement, in accordance with a written order which the Union agrees to furnish signed by each individual employee.

**Section 2.**

Such deductions shall be made by the District from wages of employees for their first pay period in the calendar month, and will be transmitted to the Union no later than

the last day of the month, except for December-- paid on the first business day in January, unless unable to do so because of equipment breakdown or acts of God.

## **ARTICLE 5 – NO REDUCTION**

### **Section 1.**

No employee shall suffer a reduction of wages, fringe benefits or working conditions as a result of the adoption of this Agreement.

## **ARTICLE 6 – WORKING HOURS**

### **Section 1. Hours – General.**

The District recognizes that the varying nature of a unit member's day-to-day professional responsibilities does not lend itself solely to an instructional day of rigidly established length.

Unit members must be on duty at least thirty (30) minutes before the beginning of the first class session and remain on duty for a reasonable length of time after the close of the student's regular school day.

Each unit member shall receive a daily duty-free lunch break of not less than thirty (30) minutes, as scheduled by the immediate administrator except when there are unscheduled fire drills or other such emergencies as determined by the principal of each school.

School-based assignment hours shall be applicable to every scheduled school day, including minimum pupil days, in-service days and the like.

In addition to assigned duties, as described in the unit member's job description, unit members shall perform other duties, some of which may occur outside of the school-based assignment hours. Other such duties may include supervising pupils within and outside school hours; preparation and conducting of I.E.P.'s (student Individual Education Plans); classroom observation, teacher conferencing, consultation with staff and parents, and other professional conferences; cooperating in parent, community and open house activities; serving on committees providing advice and service to the District; and participating in approved staff development programs.

In assigning the duties as set forth in the preceding paragraph, site and/or district administrators shall make a reasonable effort to see that the hours of work involved are equitably distributed among the staff with volunteers sought prior to mandating an assignment, and that reasonable advance notice of scheduling is provided. In assigning the above duties and hours, administrators shall act in a reasonable manner, and not in an arbitrary, capricious or vindictive manner.

## **Section 2. Assigned Days of Work.**

The contract year will be for 195 workdays inclusive of 180 student instructional days. The additional days shall only be assigned prior to or after the normal instructional school year, or the two designated teacher contract days within the instructional school year.

## **ARTICLE 7 – DISCIPLINE**

### **Section 1. Personnel Files.**

A unit member shall have the right to examine and respond to all of the material in his/her personnel file which has accrued after his/her employment, except as provided in the following sentence:

“Pursuant to Education code section 44031 the following materials shall not be available for inspection: ratings, reports or records that (A) were obtained prior to employment, (B) were prepared by identifiable examination committee members or (C) were obtained in connection with a promotional examination.”

A representative of the unit member may, at the unit member's request, accompany the unit member in the review, or with the unit member's consent, may conduct the review.

Each unit member's personnel file shall contain only the following:

1. Pre-employment information.
2. Medical reports.
3. Copies of annual contracts and supplemental contracts.
4. Transcripts.
5. Certification material.
6. Letters of commendation.
7. Copies of official personnel action.
8. Written evaluations.
9. Other materials, as agreed between the unit members and the Director, Human Resources.

Photocopies or originals of materials to be placed in a unit member's personnel file shall be provided to the unit member who shall sign a receipt signifying that she/he has received the material. Such receipt does not indicate agreement. The unit member

may make a written response to the material which shall also be placed in his/her file, and attached to the material being responded to. Materials which relate to an incident involving a unit member must be submitted for placement in his/her personnel file within a reasonable period of time following the date of the complaint; any material shall be removed from the file within 15 days if a unit member's claim that it is inaccurate is sustained through the grievance procedure.

## **Section 2. Process.**

No permanent unit member shall be disciplined without reasonable and just cause. Nothing herein limits the District's right to dismiss a permanent employee for causes outlined in Education Code section 44932. Nothing herein limits the district's right to non-reelect or to dismiss a probationary employee.

The District shall utilize a "Progressive Discipline" procedure which utilizes the following steps:

1. A documented verbal reprimand.
2. A conference with the unit member which is memorialized in a memorandum, but not placed in the personnel file.
3. A written reprimand which is placed in the personnel file.
4. Suspension with or without pay.
5. Termination.
6. Imposition of a suspension not to exceed fifteen (15) consecutive work days.

In the event of major or serious infractions, the District may impose discipline without following the progressive steps set forth above. The district may impose the

suspension following completion of the process outlined below; the district may immediately suspend an employee who poses a serious threat to his own health or safety, and/or the health and safety of others; in such cases the procedures outlined below shall be implemented as soon as practicable. In addition, the content of oral or written communications in steps 1 and 2 above shall not be subject to the grievance procedure.

### **Section 3. Right to Representation.**

A unit member shall be entitled to have a representative of his/her choice present when he/she is subject to disciplinary action which may result in a written reprimand. After a request for such representation is made, a conference will be held within a period of time not to exceed five (5) working days, or ten (10) working days for disciplinary action that may lead to unpaid leave, in order that such a representative may have an opportunity to be present.

1. In the event of a suspension under the provisions of this Article, it is agreed that the following provisions shall be adhered to:
  - a. Prior to imposing a suspension without pay, the District shall provide the unit member with written notice thereof which shall include the cause or causes for disciplinary action in a specific statement of charges. A conference shall be held between a unit member and his immediate supervisor or other appropriate administrator, at which time the unit member shall have the opportunity to respond to the charges and to any written materials upon which the charges are based. The unit member may be represented by the Union during this conference.

- b. After the conference, the immediate supervisor or other appropriate administrator shall decide whether or not to impose a suspension without pay and give the unit member written notice thereof. Except in cases of major or serious infractions, the suspension shall not be imposed until the time limit for appeal to arbitration has expired and in the event that appeal to arbitration is timely filed, the suspension (except in cases of serious or major infractions) shall be held in abeyance until the decision of the arbitrator has been rendered.
- c. Upon being served with written notice of suspension, the unit member may request a hearing before an arbitrator who shall be chosen by mutual agreement of the District and the Union. If mutual agreement cannot be reached within five (5) calendar days after a request for hearing is received, the parties shall request a list of five (5) arbitrators from the State Conciliation Service. As soon as the list of five (5) potential arbitrators is received, the parties shall strike names and the remaining individual shall serve as the arbitrator.
- d. The unit member must file the request for hearing under Section c., above, with the Superintendent's Office no later than five (5) calendar days (excluding days the central office is closed) after receiving the notice of suspension. Failure to file a written appeal within the five (5) day period shall be deemed a waiver of any right to a hearing.
- e. The arbitrator shall prepare a written finding and a decision within thirty (30) calendar days after the close of the hearing. The decision

shall be binding on all parties, but the arbitrator shall have authority only to affirm, modify or revoke the suspension without pay. Any modification shall be limited to increasing or decreasing the number of suspension days and, if the suspension is reduced or revoked, the unit member shall be entitled to back pay for the number of suspension days rescinded.

2. The terms “discipline”, “disciplinary action”, and “suspension”, for purposes of this Article, mean suspensions without pay not to exceed fifteen (15) consecutive work days.
3. The costs of an arbitrator shall be borne equally by the District and the Union. Each party shall bear its own costs of representation at the hearing.
4. Nothing contained in this Article shall be construed to limit or restrict the authority of the governing board to dismiss, suspend or to take other disciplinary action under the Education Code or other applicable law. Suspensions of fifteen (15) working days or less shall be subject to the due process procedure set forth in this Article and the contractual grievance procedure shall not apply.
5. Progressive discipline notices will only be considered valid if they are issued within five (5) school days of the event giving rise to notice or within five (5) school days from the date the District first had knowledge of the subject event. For warning notices to be valid, the District shall send the Union a copy within five school days.

6. After two (2) years, materials in files cannot be used for purposes of this Progressive Discipline clause unless there is a pattern. In cases of dismissal pursuant to the Education Code, the materials may be used for up to four years.
7. All warning notices shall be issued within five (5) working days from the date the District first had knowledge of the incident.

## **ARTICLE 8 – GRIEVANCE PROCEDURE**

### **Section 1. General Provisions.**

A grievance is defined as a statement by a unit member that the District has violated an express term of this Agreement and that by reason of such violation his/her rights have been adversely affected. All other matters and disputes of any nature are beyond the scope of these procedures. Also excluded from these procedures are those matters so indicated elsewhere in this Agreement.

The respondent in all cases shall be the District itself rather than an individual. The filing or pendency of a grievance shall not delay or interfere with implementation of any District action during the processing thereof. Upon request by a unit member, the Union shall be entitled to represent such person in matters involving discipline or discharge of the unit member, and to accompany such person to review the unit member's personnel file.

### **Section 2. Level I.**

Before filing a written grievance, the grievant shall make a reasonable attempt to resolve the complaint by means of a conference with his/her immediate administrator.

### **Section 3. Level II.**

Within fifteen (15) school days after the occurrence of the act or omission giving rise to the grievance, the grievant must present such grievance in writing to the appropriate administrator. If neither the grievant nor the Union had actual or constructive knowledge of the occurrence of the grievable act or omission, and could not with the exercise of reasonable diligence have known about it, then the fifteen (15) day time limit shall begin to run on the date upon which either the grievant or Union knew, or could with reasonable diligence, have known of the occurrence.

The written statement shall be a clear, concise statement of the grievance, including the specific provisions of this Agreement alleged to have been violated, the circumstances involved, the decision rendered at the informal conference, and the specific remedy sought.

Within five (5) days of the filing of the grievance, the appropriate administrator shall hold a meeting with the grievant or with the grievant and his/her representative. The administrator shall communicate a decision to the employee and the employee's union representative in writing within five (5) school days after the grievance meeting, and such action will terminate Level II.

### **Section 4. Level III.**

In the event the grievant is not satisfied with the decision at Level II, the grievant may appeal the decision in writing to the Superintendent or designee. Such appeal must be made within five (5) school days of the termination of Level II.

The appeal shall include a copy of the original grievance, the decision rendered at Level II and a clear, concise statement of the reasons for the appeal. Level II hearings shall be held within ten (10) school days of the receipt of the appeal from Level II.

The Superintendent or designee shall communicate a decision to the employee and the employee's union representative in writing five (5) school days after the date of the Level III hearing, and such a decision will terminate Level III.

#### **Section 5. Level IV.**

If the Level III decision does not settle the grievance, the grievant may, within five (5) school days after the Level III decision is rendered, present to the Board of Trustees, through the Superintendent, a request for a hearing. Within fifteen (15) school days following the request for a hearing, the Board of Trustees, or a committee composed of a minimum of two (2) Trustees, shall conduct a hearing of the grievance. The Board may also, if it deems it appropriate, permit oral arguments by representatives of the parties, but only in the presence of one another. The decision of the Board of Trustees will be communicated in writing to all parties.

#### **Section 6. Arbitration.**

1. If the Union is not satisfied with the decision at Level IV, the grievance may be submitted, by the Union, to arbitration, provided that notification of

submission to arbitration is given to the Superintendent within ten (10) days of the Union's receipt of the Level IV decision.

2. **Selection of Arbitrator:** The Union and the District shall attempt to agree upon an Arbitrator. If no agreement is reached within ten (10) days, the parties shall jointly contact the California Mediation and Conciliation Service and request the names of seven (7) qualified and available arbitrators. Within seven (7) calendar days after receipt of said list the Union and the District representatives shall each strike three (3) names from it in the following manner: The two (2) representatives shall determine by lot the order of elimination and thereafter each shall, in that order, eliminate names from said list by alternatively striking names. The remaining name shall thereupon be accepted by both the District and the Union as the arbitrator. The district and the Union shall immediately thereafter jointly notify the above-mentioned services of their joint selection.
3. **Hearing, Arbitrator's Decision:** The Arbitrator selected in accordance with paragraph 2 above shall conduct a hearing.
  - A. The Arbitrator shall render an award within thirty (30) days after the close of the hearing, receipt of transcript (if any) submission of the parties' briefs (if any) whichever of said events occur later.
  - B. The power and authority of the Arbitrator shall be limited to determining the meaning and interpretation of the explicit terms of this Contract and issuing an award according to it. The Arbitrator shall not have the authority to add to or subtract from or modify any terms of

this Contract or to establish or change wages or rates of pay. The Arbitrator shall not have authority to issue an award for periods of time not covered by the effective dates of this Contract.

4. **Fees and Expenses:** The fees and expenses of the Arbitrator and the hearing shall be borne equally by the parties. All other expenses shall be borne by the party incurring them, except that the grievant, the grievance representative and a reasonable number of necessary witnesses shall be released from their assignments without loss in compensation or cost to the Union.
5. **Statement of Issues:** The Arbitrator shall be limited to deciding the issues submitted. If the parties cannot agree upon a statement of issues, the Arbitrator shall determine the issues. In cases of procedural disputes, the Arbitrator shall be empowered to rule on such disputes.
6. **Rules of Procedures:**  
The decision of the Arbitrator shall be binding on the Union, the District and the grievant.

#### **Section 7. Failure to Meet Time Limits.**

If a grievance is not processed by the grievant and Union in accordance with the time limits set forth in this Article, it shall be considered settled on the basis of the decision last made by the District. If the District fails to respond to the grievance in a timely manner at any level, the running of its time limit shall be deemed a denial of the

grievance and termination of the level involved, and the grievance may proceed to the next step.

Time limits hereunder may be lengthened or shortened in any particular case only by mutual written agreement. The parties will attempt in good faith to adjust time limit problems which occur above Level II as a result of the summer recess.

#### **Section 8. Union Representation.**

The grievant shall be entitled, upon request, to representation by the Union at all grievance meetings beyond the informal level. In situations where the Union has not been invited to represent the grievant, the District shall not agree to a final resolution of the grievance until the Union has received a copy of the grievance and the proposed resolution and has been given the opportunity to state its view on the matter.

#### **Section 9. Confidentiality.**

In order to encourage a professional and harmonious disposition of unit members' complaints, it is good that from the time a grievance is filed until it is completed, neither the grievant nor the Union nor the District shall make public either the grievance or evidence regarding the grievance.

#### **Section 10. No Reprisals.**

There shall be no reprisal against a unit member for filing a grievance or assisting a grievant in the above procedure.

### **Section 11. Grievance Files.**

The District's records dealing with the filing and processing of a grievance shall be maintained separately from the grievant's personnel file.

## **ARTICLE 9 – MANAGEMENT RIGHTS AND RESPONSIBILITIES**

### **Section 1. Reserved Rights.**

All matters not specifically enumerated as within the scope of negotiations in Government Code 3543.2 are reserved to the District. It is agreed that such reserved rights include, but are not limited to, the exclusive right and power to determine, implement, supplement, change, modify or discontinue, in whole or in part, temporarily or permanently, any of the following:

1. The legal, operational, geographical or organizational structure of the District, including the chain of command, division of authority, organizational divisions and sub-divisions, external and internal boundaries of all kinds, and advisory commissions and committees;
2. The financial structure of the District, including all sources and amounts of financial support, income, funding, taxes and debt, and all means and conditions necessary or incidental to the securing of same, including compliance with any qualifications or requirements, imposed by law or by funding sources as a condition of receiving funds; all investment policies and practices; all budgetary matters and procedures, including the budget calendar, the budget formation process, accounting methods, fiscal and budget control policies and procedures,

- and all budgetary allocations, reserves, and expenditures apart from those expressly allocated to fund the wage and benefit obligations of the Agreement;
3. The acquisition, disposition, number, location, types and utilization of all District properties, whether owned, leased, or otherwise controlled, including all facilities, grounds, parking areas, and other improvements, and the personnel, work, service, and activity functions assigned to such properties;
  4. All services to be rendered to the public and to District personnel support of the services rendered to the public; the nature, methods, quality, quantity, frequency and standards of service, and the personnel, facilities, vendors, supplies, materials, vehicles, equipment and tools to be used in connection with such services; the lawful subcontracting of services to be rendered and functions to be performed, including educational, support, construction, maintenance and repair services;
  5. The utilization of personnel not covered by this Agreement, including substitutes, temporaries, home teachers, provisional personnel, consultants, instructional aides, and supervisory or managerial personnel, to do work which is normally done by unit members covered hereby, in the event of work stoppage by unit members;

  14. The termination or layoff of employees, consistent with law, as the result of the exercise of any of the rights of the District not limited by the clear and explicit language of this Agreement.

## **Section 2. Other Rights and Responsibilities.**

All other rights of management and responsibilities not expressly limited by the clear and explicit language of this Agreement are also expressly reserved to the District. To promote and maintain ethical and professional practices as per professional standards.

## **Section 3. Intentions.**

It is not the intention of the parties, in setting forth the above-mentioned rights and responsibilities of management, which detract or diminish in any way the rights of the Union or of the unit members as expressly set forth elsewhere in this Agreement. It is the parties' intention that the clear and explicit provisions of the other Articles of this Agreement constitute the only contractual limitation upon the District's rights.

## **Section 4. Exercising Rights.**

The exercise of any right reserved to the District herein in a particular manner or the non-exercise of any such right shall not be deemed a waiver of the District's rights or preclude the District from exercising the right in a different manner.

## **Section 5. Disputes.**

Any dispute arising out of or in any way connected with either the existence of or the exercise of any of the above-described rights of the District is not subject to the grievance provisions set forth in Article 8 unless the dispute is otherwise grievable under another Article of this Agreement.

## **Section 6. Professional Attire.**

It is recommended that all unit members be professionally dressed when on duty and/or representing the District at any event.

## **ARTICLE 10 – TRANSFERS / SENIORITY**

### **Section 1. Definitions.**

1. **Transfer:** A transfer is defined as the relocation of unit members from one school to another school, from one District administrative department to another administrative department, or between a school and a District administrative department. Transfers fall into two categories: (1) Voluntary transfers that are initiated at the request of the unit members, and (2) Involuntary or administrative transfers that are initiated by the District.
2. **Seniority:** Seniority shall be by date of hire in the classification and then by district date of hire.

### **Section 2. Posting of Openings.**

1. An opening is defined as a position at a school or administrative department location which the District has determined is to be filled by a regular probationary or permanent unit member rather than by a substitute or temporary employee.
2. The District shall post at each school location a notice of each opening as it occurs during the regular school year or at the District Administration Office during other times. Each notice shall state a deadline for applications which shall

be not less than seven (7) school days after posting. The opening shall not be filled prior to such deadline.

3. An opening, for posting purposes, is not created when a permanent or probationary employee is on a paid or unpaid leave of absence or a one semester opening exists.
4. Any unit member may apply for such openings by submitting a Transfer Request form to the Personnel Office within the seven (7) working days time limit specified above.
5. Posting errors shall not be submitted to grievance. The error shall be corrected prior to filling the openings.

### **Section 3. Voluntary Transfer, Counselor.**

1. Requests for voluntary transfers may be made by submitting a Transfer Request to the Personnel Office. The Superintendent or designated representative will give consideration of the transfer request but may deny it if, in his/her opinion, such transfer is not in the best interest of the District.
2. The filing of a request for transfer is without prejudice. It does not jeopardize the applicant's present assignment. The request may be withdrawn any time prior to confirmation that the transfer has been affected.
3. Any time after the end of school, but not later than June 30<sup>th</sup>, a unit member may request a transfer by submitting a Transfer Request to the Personnel Office. The Superintendent or designated representative will consider the transfer request

prior to filling the opening. A unit member may submit as many requests for transfer as desired.

4. A unit member who requests transfer to an available position and is denied, may be provided a written statement, if so requested by the employee.

#### **Section 4. Involuntary Transfer, Counselor.**

1. The parties recognize that it may be necessary to transfer unit members involuntarily because of enrollment adjustments, budgetary restrictions or other District needs. Whenever an involuntary transfer becomes necessary, the administrative supervisor shall determine if there are volunteers from unit members. In designating the transferee, the supervising administrator shall be guided by the following criteria, credentialing, previous assignments, extra service and extra-curricular assignments, participation in special programs, programmatic needs, affirmative action and other factors specifically applicable to the needs of the school. Seniority shall be used to break ties.
2. The Union Shop Steward will be notified of all involuntary transfers.
3. Upon written request, an opportunity will be provided for the unit member to meet with the administrator recommending the transfer and be advised of the reasons for such recommended transfer.
4. No unit member shall be transferred arbitrarily or capriciously.

#### **Section 5. Superintendent's Transfers.**

In situations not provided for herein, the Superintendent's power to assign includes the power to transfer professional personnel within the District when the Superintendent concludes that such a transfer is in the best interest of the District.

#### **ARTICLE 11 – PUPIL UNIT MEMBER RATIO**

The Board of Trustees shall determine and regulate the ratio of pupils to unit members in relation to the total responsibilities, powers and rights imposed upon, vested in, and reserved to, respectively, the Board by law.

1. The Board will continue its efforts to maintain staffing patterns that will avoid State penalties.
2. The Board shall promote unit member caseloads which are within the best interests of the students concerned.
3. The Board of Trustees agrees that it shall not arbitrarily or capriciously assign abnormally or unreasonably large unit member caseloads within the District.

Though the Board reserves the power to amend the pupil: unit member ratio for the ensuing school year at any time during the preceding school year as deemed appropriate, the Board is also cognizant of the effects of this ratio upon the jobs of unit members and the value of counsel with all employees, whether performing direct or indirect services to pupils, as well as factors enumerated herein above. Therefore, the District agrees to consult with all affected unit members prior to making changes in the pupil: unit member ratio, unless the need for change is deemed an emergency by the Board. If the Board determines that an emergency exists, it shall notify the Union in

writing of its decision. The decision of the Board, following consultation, shall remain solely a decision of the Board.

## **ARTICLE 12 – REASSIGNMENT**

1. The parties recognize that it may be necessary to reassign unit members involuntarily because of enrollment adjustments, budgetary restrictions or other District needs. When such a reassignment becomes necessary, the Superintendent or designee will review such reassignment with all individuals involved and with the Union Shop Steward prior to a final decision.
2. In designating the unit member to be reassigned, the administrator shall consider the following criteria: full vs. partial credential, previous assignments, extra service and extra-curricular assignments, responsibility for special counseling programs, affirmative action, department leadership and curriculum needs. Seniority shall be used to break ties. Unit member seniority shall be determined in accordance with the formula found in Article 10 above.
3. A list of unit members in order of seniority will be maintained by the Personnel Office.
4. A unit member who has been involuntarily removed from a position and reassigned as a teacher because of enrollment adjustments, budgetary restrictions or curriculum needs will be given first consideration for reappointment to vacancies in their previous position that occur within the District. Such special consideration will continue for a period of thirty-six (36) months.

5. If more than one (1) reassigned unit member is available for special consideration, the supervising administrator shall make the selection based on the criteria listed in paragraph 2 above.
6. If a reassigned unit member twice refuses an opening, the special consideration clause, paragraph 4 above, of this Section shall be considered to have ended. This Section shall not be applicable to reduction in force instituted under Education Code 44955.
7. No later than May 15<sup>th</sup> of the school year preceding the school year in which the reassignment will take place, a unit member being considered for reassignment shall be given written notice stating that it has been recommended that the unit member be reassigned for the ensuing school year, and stating the reasons for such recommendation.
8. The unit member shall have fourteen (14) calendar days from the receipt of the notice of reassignment to request a meeting with the Superintendent or designated representative to determine if there is cause for the reassignment.
9. The request for the meeting must be in writing and must be delivered to the Superintendent or designee within the fourteen (14) calendar days specified above.
10. The meeting shall be held by June 1<sup>st</sup> and a final written decision of the Superintendent shall be given to the Unit member within five (5) school days after the meeting.
11. Upon approval of the unit member involved, a copy of the decision will be sent to the Teamsters Union Local 542, San Diego.

## **ARTICLE 13 – LEAVES OF ABSENCE**

### **Section 1. Temporary Leaves.**

Various forms of temporary leave are specifically provided in this Agreement, most of which qualify for continuance of salary during the period of leave. Some are allowable but without pay. If a unit member is absent temporarily for a reason other than those specified, a full day's pay for each day of such absence will be deducted from the unit member's salary. A day's pay for unit member will be the annual salary of the individual divided by the number of days in the legal definition of the school year or period of annual contract as provided in the Education Code and District policy, unless the form of assignment and contract identifies a daily rate.

Unless otherwise specified, the lengths of the time allowed for the various forms of temporary leave are provided for regular full-time unit members. Unit members serving less than full-time five days a week shall be entitled to a pro-rata allotment of leave time under the various forms of temporary leave.

Temporary leave without pay for any reason not coming under the provisions of those specified by contract may be granted upon request of a unit member at the discretion of the Building Administrator or other supervisor subject to approval of the Superintendent.

A unit member absent from work shall notify their immediate supervisor/designee the 1<sup>st</sup> day of such absence except where he/she is physically unable to do so.

### **Section 2. Personal Illness and Injury.**

Any regular full-time unit member shall be entitled annually to temporary leave for absence occasioned by personal illness, injury, or necessary consultation and/or

treatment by generally recognized medical practitioners in connection with such illness or injury. Said leave shall be accumulated at a maximum of ten (10) days annually for unit members serving under certificated standard or ten-month contracts, eleven days for those serving under the certificated eleven-month contract, and twelve days for those serving under the certificated twelve-month contract.

To achieve the intent of this policy, unit members are encouraged, particularly in the area of personal illness, to seek medical diagnosis, advice and therapy promptly and to utilize the provisions of this form of leave for their own well being as well as for that of students and other staff members. The District recognizes further in the area of illness the temporary periods of high emotional stress or mental agitation occasioned by seriously disturbing incidents in the life of a unit member are a form of personal illness that can be as detrimental to job performance as any physical infection or ailment. The utilization of personal illness leave for such conditions is authorized, with expectation that reasonable constraints and limits on such use will be supplied by the integrity of the unit member in consultation with his supervisor or other District administrative personnel.

A unit member granted leave under this policy shall be entitled to full pay during the absence to which he would have been entitled if not absent from his assignment, subject to the following limitations:

1. For any period of leave under this policy, full pay shall be granted to a unit member up to the number of days accumulated, as provided by law, as of the end of that current school year in which the leave commences, provided that such

leave may not extend beyond the end of that current school year without review by the Board.

2. Any unit member shall be entitled to a maximum of five (5) school months non-accumulated sick leave subject to the following provisions (E.C. 44977):
  - a. Sick leave, including accumulated sick leave, and the five-month period shall run consecutively.
  - b. An employee shall not be provided more than one five-month period per illness or accident. However, if a school year terminates before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year.
  - c. For the period of absence covered by the days of non-accumulated leave the unit member shall receive the difference between the regular salary and the sum which is actually paid a substitute employee to fill the position during absence or, if no substitute was employed, the amount which would have been paid to the substitute had one been employed.
3. Disability leave connected with or resulting from pregnancy shall be charged to unit member's accumulated sick leave at the election of the unit member.

Disabilities under this Section shall be:

- a. Diagnosed and verified in writing to supervisor by recognized medical practitioner or health consultant.
- b. Communication in writing must include unit member's name, name of medical practitioner or health consultant, business address and phone

number, as well as the estimated time the unit member will be unable to perform regular duties and beginning date of disability leave.

- c. The benefits of this Section only apply to the verified dates of disability.

The before and after dates will be defined as the school days scheduled before and after the disability.

When a unit member has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of illness or accident for a period beyond the five-month period provided above, and the unit member is not medically able to resume the duties of his/her position the unit member shall, if not placed in another position, be placed on a reemployment list for a period of 24 months if the unit member is on probationary status or for a period of 39 months if the unit member is on permanent status. When the unit member is medically able, during the 24 or 39 month period, the unit member shall be returned to employment in a position for which he or she is credentialed and qualified. The 24 or 39 month period shall commence at the expiration of the five-month period provided above.

### **Section 3. Authorized Leave Verification.**

The District may, when it has reason to believe a unit member is misusing leave, require that verification of the valid use of that leave be presented. If just cause exists because of misuse of leave, the District may take appropriate disciplinary action. If the District requests additional medical verification (a “second opinion”), the medical expenses incurred in the verification of the legitimate use of leave shall be borne by the District.

#### **Section 4. Personal Necessity Leave.**

Employees may use, at their election, accumulated sick leave not to exceed six (6) days per year for cases of personal necessity for the following reasons, using the procedures below:

1. **Personal Necessity not requiring advance permission to be absent from duty:**

- a. Death or serious illness of a member of his/her immediate family  
(definition of immediate family contained in Education Code 44985).
- b. Accident involving their person or property or the person/property of their immediate family.

2. **Personal Necessity requiring advance permission before being absent from duty:**

- a. Appearance in any court or before any administrative tribunal as a witness under subpoena or other agency order made with jurisdiction. If the unit member can reasonably return to his/her assignment for at least half a day or be present half a day before leaving to appear, the employee is expected to do so.
- b. Delay in returning to work because of unavoidable circumstances (flood, storm, vehicle breakdown, public transportation delay), unless the employee is not in a position to give advance notice. The number of days of absence on any one occasion shall be no more than reasonable as determined by the supervisor.

- c. Early departure at the end of a contract year or late return at the beginning of a contract year because of scheduled college attendance (late summer session, NSF Workshop, etc.) or because of professional growth travel where the entire tour or to and from transportation arrangements are under the auspices of one of a unit member's professional organizations. This leave is subject to the written approval of the Superintendent and at his/her discretion.
- d. Personal business not to exceed three (3) days per year. It is the purpose of this provision to provide employees leave for personal business of such a sensitive nature that they do not want to confide in administrators (court appearance, drug and/or alcohol treatments, psychiatric care). It is not the purpose of this provision to provide employees leave for frivolous purpose, unwarranted reasons or reasons which may run counter to the welfare of the district (applying for work elsewhere, hair appointments, sporting events, shopping, vacation trips, etc.). In order to take personal business leave, a written request must be made at least 48 hours in advance or at the member's earliest knowledge of the need for personal necessity. The leave may not be taken the first five days or the last five days of the unit member's working year, nor the day before or the day after a holiday or vacation. The District shall not require employees to state reasons for personal business leave. The building administrator or supervisor shall have the right to refuse the request when too many unit members request to use the same day.

#### **Section 5. Family Illness.**

Any regular full-time unit member shall be allowed annually (non-cumulative) up to five (5) days of leave with full pay in the event that serious illness or injury incurred by a member of the unit member's family requires the immediate and actual presence of the unit member with the ill or injured person. For purposes of this policy section, "family" shall include only mother, father, husband, wife, son, daughter, brother, sister, mother-in-law, or father-in-law of the unit member, or any relative of the unit member or of the spouse of the unit member living in the immediate household of the unit member or a domestic partner. Any such days of leave taken under this Article shall be charged to and deducted from the unit member's full pay days of accumulated sick leave.

#### **Section 6. Bereavement.**

Any regular full-time unit member shall be entitled to five (5) days leave of absence with full pay in the event of the death of a member of his immediate family as defined in Education Code Section 44985, or of a grandchild or a person who has acted "in loco parentis" to the unit member or the spouse of the unit member or a domestic partner. Members of the family to include in-laws, aunts, uncles, nieces, nephews to the unit member or the spouse of the unit member.

Up to three (3) days additional leave may be granted if additional travel time is required to attend or arrange for the funeral.

#### **Section 7. Judicial and Official Appearances.**

Any regular full-time unit member shall be entitled annually (non-cumulative) to a maximum of three (3) days leave for the purpose of appearing as a witness in court other than as a litigant or to respond to an official order from another governmental jurisdiction for reasons not brought about through the connivance or misconduct of the unit member.

Any regular full-time unit member shall be entitled to serve when called for required jury duty in the manner provided by law.

During the normal working day, those unit members required to appear for jury duty within the city limits of Blythe will return to the work site to perform their regular duties within thirty (30) minutes of release by the court unless said release is after 3:00 p.m.

Leaves provided under this Section shall be granted with pay for the unit member up to the amount of the difference between the unit member's regular earnings for the period covered by the leave and any amount he/she receives for juror or witness fees. This does not apply to transportation or living expenses which may be paid to the unit member in connection with service as a juror or witness.

#### **Section 8. Quarantine.**

Any regular full-time unit member shall be entitled to leave with full pay subject to limitations below for absence from duty because of quarantine which results from his/her contact with other persons having a contagious disease while performing his/her duties, or because of temporary inability to perform the services required of him/her because of said quarantine.

If the period of quarantine extends beyond sixty (60) days during which schools of the District are required to be in session or when the unit member would otherwise have been performing work for the District in any one fiscal year, the unit member shall be entitled to salary in any given month which shall be the lesser of: (a) the difference between the amount due him/her for that month and the amount actually paid a substitute employee employed to fill his/her position during his/her absence for that time exceeding sixty (60) days, or (b) fifty percent (50%) of the amount due him/her that month for that time exceeding sixty (60) days.

This Section applies only to quarantine of the unit member. If subsequent to the unit member being placed on leave for quarantine, the unit member contracts an illness as a result of exposure to the contagious disease, the leave for quarantine shall be terminated and the provisions of personal illness leave policy shall become effective.

**Section 9. Industrial Accident or Job-Incurred Illness.**

1. Allowable leave for each industrial accident or illness shall be for the number of days of temporary disability, and shall be limited to sixty (60) days during which the schools of the District are required to be in session or when the unit member would otherwise have been performing work for the District in any one fiscal year for the same accident.
2. Upon termination of the industrial accident or illness leave, the unit member shall be entitled to the benefits provided for such leave and his/her absence for such purpose shall be deemed to have commenced on the day of termination of the industrial accident or illness leave, provided that if the unit member continues to

receive temporary disability indemnity, he/she may elect to take as much of his/her accumulated sick leave, which when added to his/her temporary sick leave indemnity will result in payment to him/her of not more than his/hers full salary.

3. Allowable leave shall not be accumulated from year to year.
4. The leave under these rules and regulations shall commence on the first day of absence.
5. When a unit member is absent from his/her duties on account of industrial accident or illness, he/she shall be paid such portion of the salary due him/her for any month in which absence occurs, as when added to his/hers temporary disability indemnity under Division 4 or Division 4.5 of the Labor Code, will result in payment to him/her of not more than his/hers full salary.
6. Industrial accident or illness leave shall be reduced by one day for each day of authorized absence regardless of a temporary disability indemnity award.
7. When an industrial accident or illness leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due him/her for the same illness or injury.
8. During any paid leave of absence, the unit member shall endorse to the District the temporary disability indemnity checks received on account of his industrial accident or illness. The District, in turn, shall issue the unit member appropriate salary warrants for payment of the unit member's salary and shall deduct normal retirement and other authorized contributions.

9. Any unit member receiving benefits as a result of these rules and regulations shall, during the period of injury or illness, remain within the State of California unless the Governing Board authorizes travel outside the state.

#### **Section 10. Maternity Leave.**

The Governing Board shall provide for leave of absence from duty for any certificated employee of the District who is required to be absent from duties because of pregnancy, miscarriage, childbirth, and recovery therefrom. The length of the leave of absence, including the date on which the leave shall commence and the date on which the employee shall resume duties, shall be determined by the employee and the employee's physician.

Disabilities caused or contributed to by pregnancy, miscarriage, childbirth and recovery therefrom are, for all job-related purposes, temporary disabilities and shall be treated as such under any health or temporary disability insurance or sick leave plan available in connection with employment.

Except as provided herein, written and unwritten employment policies and practices shall be applied to disability due to pregnancy or childbirth on the same terms and conditions applied to other temporary disabilities.

This Section shall be construed as requiring the Governing Board to grant leave with pay only when it is necessary to do so in order that leaves of absence for disabilities caused or contributed to by pregnancy, miscarriage, or childbirth to be treated the same as leaves for illness, injury, or disability. (E.C. 44965)

The unit member, while on leave, shall have the option to remain an active participant in the District fringe benefit programs by contributing in total thereto.

### **Section 11. Sabbatical Leave.**

It shall be the policy of this District to consider requests for sabbatical leave from full-time unit members and to grant sabbatical leave under certain prescribed conditions. The District acknowledges the several beneficial purposes of granting such leave, including:

1. Recognition of faithful and competent unit member service.
2. Improvement of professional competence and stature as a service both to the individual unit member and to the District.
3. Encouragement of continuity of service in the District.

Such leave may be granted for carrying on a full program of professional study at an accredited four-year college or university in areas of educational foundations, instructional techniques, background depth and broadened experience in content areas, or advanced training related to specialized assignments and/or advanced credential qualifications. Applicants shall indicate through the application procedure the nature and extent of the proposed program of study, specifying probable courses or course areas to be pursued.

Sabbatical leave shall be granted only to unit members who have a minimum of seven (7) consecutive years of full-time service with the District prior to the granting of the leave and since entry into service with the District or since resuming service after any previous sabbatical leave granted by the District. The Board reserves the right to limit

the number of sabbatical leaves granted for any one fiscal year up to a maximum of 3% of the total certificated staff.

Deadline for receiving applications for sabbatical leave to be granted during any fiscal year shall be March 1<sup>st</sup> of the year immediately proceeding. Except in unusual circumstances requiring an earlier decision, all applications will be considered at one time subsequent to the deadline date for application. Factors to be considered in determining the order of approval where more than one application is received will be:

1. Order of date of receipt of official applications.
2. Length of service in District.
3. Equitable distribution of leaves among schools and departments of the District.
4. Consideration of optimum number of staff on leave at any one time.
5. "Second time" versus "first time" requests.

If after determination of the number of leaves to be granted in a given year, one of the unit members granted leave finds it necessary to forego his leave, the Board may reopen the application period to consider applicants for the leave that is available.

Leave granted under this policy following seven (7) or more consecutive years of service shall be for a full twelve (12) month period or may be for two six-month periods, provided that the leave of absence for both separate six-month periods shall be commenced and completed within a three (3) year period. A unit member may initially request granting of leave for only a six-month period, which, if granted, shall not be subject to reconsideration for an additional six-month period within the three (3) year

limit and which shall be the extent of sabbatical leave due the unit member until the completion of at least seven (7) additional years of consecutive service to the District.

Compensation for a unit member while on sabbatical leave shall be fifty percent (50%) of the scheduled salary on the appropriate salary schedule which would have been in effect during the period of leave.

No unit member on sabbatical leave may accept a comparable job in another school district or a paid research or teaching assistantship at the college or university calling for in excess of fifteen (15) hours of work per week. A unit member may accept scholarships or fellowships including teaching requirements not contrary to the fifteen (15) hour limit, when the purpose of the grant or appointment is related to the unit member's stated purpose for the leave.

A unit member granted sabbatical leave shall be obligated to render a period of service to the District following the leave equal to twice the length of the period of leave. This obligation shall be assured by the furnishing of a bond if the unit member wishes to receive his sabbatical leave compensation in regular monthly payments while on leave. No bond is required if the unit member agrees to accept the compensation in the form of payments or installments after his return to service with the District, as provided in the law. Verification of registration, continuing progress of the professional study, and of completion of the work undertaken shall be provided in accordance with District rules and regulations. A summary report of the period of professional study and its expected benefit to the District shall be submitted to the Board by the unit member upon his return to service.

While on leave, a unit member shall have the option to remain an active participant in the District fringe benefit program by contributing in total thereto. The time a unit member is on sabbatical leave shall be recognized as uninterrupted service to the District.

#### **Section 12. Military Leave.**

Unit members shall be allowed military leave subject to the provisions of applicable Federal and State law.

#### **Section 13. Personal Leave.**

The Board recognizes that circumstances in the lives of unit members may occasionally determine the compelling and reasonable need to interrupt continuing service with the District for a period of six (6) months to a year and that such need may not qualify for leave under the several forms of leave available to unit members.

Any regular full-time permanent unit member may submit written request for personal leave for from six months to one year. Granting of such leave will be considered on the basis of the need, of which the Board shall be judge, and in terms of the availability of an adequate replacement for the unit member during the period of leave. Such leave shall be without pay.

No such leave of absence may be extended beyond twelve months, except by renewal of the board. Long-term leave (10 months or more) shall, as much as possible, be coincident with one regular school or fiscal year.

Personal leave under this policy will also be granted to permanent or probationary female unit members terminating a maternity leave as provided in the policy on maternity leave.

Such leave shall not be considered as employment for the various purposes of computing cumulative years of service in the District, including advancement on the salary schedule. Upon expiration of the leave, the unit member shall be reinstated in the position held by him prior to the leave or in a position comparable in responsibility, there being no assurance implied herein of return to an exact assignment held prior to the leave. The Board reserves the right, subject to applicable provisions of the law, to make such change in position assignment of the unit member upon his return from leave that will best serve the interests of the District.

While on such leave, a unit member shall have the option to remain an active participant in the District fringe benefit program by contributing the total premium thereto.

#### **Section 14. Catastrophic Sick Leave Bank.**

1. A catastrophic injury or illness shall be defined as: any injury or illness which has incapacitated or will incapacitate a certificated employee for an extended period of time as determined by the committee based upon competent medical evidence.
2. The Joint Catastrophic Sick Leave Bank Committee hereinafter referred to as the Committee determines the certificated employee's eligibility to receive donated leave under this Section. The Committee shall be composed of four (4)

appointees, two (2) by the District and two (2) by PVTAs. The Committee shall review all withdrawal requests and shall take action within five (5) work days. The Committee shall prepare a written report regarding the matters submitted to it. The report shall be submitted to the District, the Teachers Association and the Union as an information item. Any action taken requires the presence of all Committee Members; a simple majority vote shall prevail, a tie vote shall represent denial.

3. To be an eligible participant of the Catastrophic Sick Leave Bank, a probationary or permanent certificated employee must donate one day of sick leave during the open enrollment period and one day each year thereafter. Current participating members will be exempt from donations in any year in which the bank exceeds 200 days on September 1<sup>st</sup>. A certificated employee may only join the Sick Leave Bank during the annual open enrollment period in September. New members wishing to enter the bank will be required to donate one day during the open enrollment period regardless of the total number of days in the Bank. New employees may also join during the 30 calendar days following initial employment.
4. Donations of sick leave days to the Bank shall be irrevocable. Sick leave which is donated under this Section shall be deducted from the accrued sick leave authorized under Article 13, Section 2, Personal Illness and Injury in the Agreement.
5. Sick leave day contributions will be authorized on the appropriate form (see Appendix) and continue from year to year under the provisions addressed below

until canceled by the certificated employee. No sick leave may be surrendered or drawn for purposes of summer school.

6. A certificated employee who qualifies for catastrophic injury or illness leave may not draw upon the Bank until all fully paid illness or injury leave is exhausted. A certificated employee who has exhausted sick leave but still has differential leave is eligible for a partial supplement from the Bank. The District shall pay the certificated employee full pay and the Bank shall be charged one-half day. This shall not exceed the amounts allowed as maximum below.
7. Leave from this Bank may not be used for illness or disability which qualifies the certificated employee for Worker's Compensation leave, and/or his/her own paid leave.
8. The maximum number of workdays from the Bank allowed by one member for a single catastrophic injury/illness shall not exceed 10 days.
9. If there are insufficient days in the Bank, there is no obligation to grant leave hereunder, in whole or in part. Neither the District, the Teachers Association, the Union nor the Committee shall be legally responsible if there are insufficient days in the Bank to provide a Catastrophic Sick Leave donation.
10. The certificated employee shall submit a "Certificated Sick Leave Bank Request for Withdrawal" form (see Appendix) for the release of medical information. The Committee may require an independent medical evaluation to determine a certificated employee's right to receive leave from the Bank.

any action taken or decision made by the Committee concerning the Catastrophic Leave Plan herein provided may submit a request for an appeal for reconsideration with additional supportive documentation. ## **ARTICLE 14 – SAFETY CONDITIONS**

### **Section 1. Obligation.**

Unit members shall comply with the District's reasonable rules, regulations and directives designed to provide a safe and healthy work place.

### **Section 2. Reporting Concerns.**

The District shall provide a uniform form for reporting safety concerns, one copy of which shall be retained by the unit member filing such report, one copy shall be forwarded to the site administrator and one copy shall be forwarded to the Maintenance

Department. Copies of the form should be signed by the unit member, the site administrator and, if possible, by a representative of the Maintenance Department.

### **Section 3. Reasonable Force.**

Any assault or battery upon unit members or any threat of force or violence directed toward unit members at any time or place which is related to school activity or school attendance shall be reported by unit members to their immediate supervisor.

Unit members may use reasonable force under circumstances which require that they defend themselves or students against an assault; provided, however, that such force does not exceed that which is needed to repel or protect from bodily injury and provided, further, that the unit member report any such incident to the immediate supervisor within a twenty-four hour period.

### **Section 4. Physical Safety.**

The above provision, Article 14, Section 3, shall not be read as a requirement that unit members must place themselves in danger of serious bodily injury in order to protect another employee or student from assault.

## **ARTICLE 15 – HEALTH AND WELFARE**

### **Section 1. Cost.**

1. Increase district's contribution towards H & W benefits by \$600 total to \$14,425 allocated between medical, dental, vision, and prescription beginning February 1, 2019 in exchange for control of the work-year calendar.

2. The parties recognize that the Trust may raise rates effective January 1, 2007 and/or any successive January 1. In the event of such increase the District will not be obligated to increase its premium contributions unless and until negotiated otherwise; this means that the difference, if any, shall be deducted from the employee pay warrants. At the beginning of any school year, any unit member may elect to have the full amount of the District contribution to the health and welfare be added to his or her salary and the full amount of the premium deducted from his or her salary and sent to the insurance carrier to cover the premiums. The election selected by the employee will remain in effect for the entire school year and continue until the employee changes the election selected. Any cost to the District to implement the employee's decision will be borne by the individual Union Member.

During the term of this Agreement, the District will continue to provide the opportunity for specific unit members to receive applicable insurance benefits as listed below at the unit member's expense:

1. Unit members who are absent on account of illness and who have exhausted their accumulated paid leaves may participate in the District's health insurance program not to exceed twelve (12) months following exhaustion of said leave.
2. Unit members on District approved paid leave of absence may participate in the District's health insurance program for the period of the leave.
3. A unit member retiring after his/her fifty-fifth (55<sup>th</sup>) birthday and who has served at least five (5) consecutive years in the District prior to retirement may

participate in the District's health insurance program at his/her own expense.

(Retirement means service retirement.)

## **Section 2. Retirement Incentive.**

1. A retirement incentive is available to any unit member having served at least ten (10) consecutive years with the District prior to retirement, AND:
2. Who retires after his/her 58<sup>th</sup> birthday, and prior to the beginning of or at the end of the school year in which his/her 63<sup>rd</sup> birthday occurs shall be provided, at his/her request, health and welfare coverage with the District paying 85% of the premium(s) then in effect, and the employee paying 15% each year until the end of the month in which the employee reaches age 65. The 85% retiree contribution on behalf of the District cannot exceed 85% of the highest health and welfare insurance rate paid on behalf of active employees.
3. Employees who elect not to retire prior to or at the conclusion of the school year in which they reach age 63 shall not be eligible for this benefit. Employees retiring at age 64 through 65 may continue on the District health plan until age 65, but only at their own expense with no District contribution.
4. In the event that Medicare or some other national or state health plan becomes available to employees under the age of 65, this benefit will be provided only up to the date such other plan takes effect.
5. Employees over the age of 65 who elect to retire will be eligible for benefits under the provisions of Medicare; employees eligible for Medicare benefits must carry both A and B coverage, if eligible.

6. If both husband and wife are eligible employees under the plan, only one of them may enroll as a subscriber and the other spouse must enroll as the dependent. If the subscriber is no longer eligible for this health insurance incentive, the dependent automatically becomes the subscriber until age 65, if the dependent *was a full-time employee for at least ten (10) consecutive years before retirement.*
7. ALTERNATIVE RETIREMENT INCENTIVE: This is an alternative to the incentive provided in paragraphs 1 and 2 above and no employee shall have the benefit of both clauses. Eligible employees may choose from one or the other option. An employee who has served the District a minimum of fifteen (15) consecutive years before retiring and who is or will become eligible for Medicare may elect to have the District pay for a Medicare Supplemental Insurance Policy at the employee only rate for five (5) years or until the retiree reaches age seventy (70), whichever comes first.

### **Section 3. Right to Contact.**

The Union shall have the right to contact the Health and Welfare contract administrator directly for any information it wishes relative to the plan, but a copy of such request and a copy of any answer received from the contract administrator shall be sent to the District.

### **Section 4. Savings Clause.**

Health insurance benefits as described above may be discontinued by the Governing Board at their discretion in the event this program is no longer economically

feasible provided that discontinuance of the benefit is announced by the Board at least one year in advance of the discontinuance date.

## **ARTICLE 16 – EVALUATION PROCEDURES**

7. The personnel to be evaluated shall be observed early in the evaluation year by the evaluator. Within five (5) school days of the observation, the Performance

After a request for such representation is made, any conference will be held within a period of time not to exceed five (5) school days in order that such a representative may have an opportunity to be present.
