## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

### School Mission Statement

The learning community of Palo Verde High School will ensure ALL students are college/career ready not only academically but by learning to persevere, viewing everyone with respect, having a purpose driven life, and serving their school and community.

### District Mission Statement

Our mission is to enrich, empower and enhance our students' lives through education.

### District Vision Statement

Palo Verde Unified School District will constantly seek to improve its culture of academic excellence.

We expect every student to read, write and calculate competently.

We expect every teacher to apply consistent standards, evaluate student performance accurately, and coach students with diligence and compassion.

We expect every parent, student and teacher to support the mutual quest for excellence.

Educational progress can never happen without truth as its foundation, and it is to the wonderful truth of student potential and the challenging truth of student performance that we are unalterably committed.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	
<b>Intern Credential Holders Properly Assigned</b>	
<b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>	
<b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>	
<b>Unknown</b>	
<b>Total Teaching Positions</b>	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20
<b>Permits and Waivers</b>	
<b>Misassignments</b>

## 2019-20 Class Assignments

Indicator	2019-20
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout the Palo Verde Unified School District are aligned to the California Curriculum Frameworks and Content Standards. Instructional materials for grades K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. Instructional materials for grades 9-12 are approved by the board of trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials. District textbook review and adoption activities occur the year following the state's adoption. Site-level and district-level committees meet to select textbooks and instructional materials. Every student including English learners have access to their own textbooks and instructional materials.

On September 7, 2021, the Palo Verde Unified School District Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students, including English learners, in the district. The board of trustees adopted a resolution which certifies, as required by Education Code Section 60119:

1. Each student in each school in the Palo Verde Unified School District has standards-aligned textbook(s) or instructional materials, or both, to use in class and to take home.
2. Sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and are consistent with the cycles and content of the Curriculum Frameworks in mathematics, science, history-social science, and English language arts, including the English-language development component of an adopted program.
3. Sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes.
4. Sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12, inclusive. The California Department of Education requires the most recent information to be provided regarding instructional materials; data collected and disclosed in this report regarding instructional materials was acquired September 7, 2021.

## School Facility Conditions and Planned Improvements

Palo Verde High School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. The campus has 36 regular classrooms and 10 portable classrooms. It features an administration building, gymnasium, library and cafeteria, stadium, baseball field, practice field and outdoor basketball courts. The school also maintains a farm, which houses up to 100 animals during parts of the school year. The school was built in 1952. Several modernization projects have ensured that school facilities are kept up-to-date and provide adequate space for students and staff.

The school is maintained by a district maintenance crew. An electronic work-order system enables Palo Verde High School to communicate maintenance needs. Emergency needs are usually handled within an hour or two. Non Emergency requests are typically fulfilled within 24 hours. A day custodian and an evening custodian are assigned to the school. Classrooms are cleaned at least every day. One campus security officer and two campus supervisors secure the campus five days a week.

Students may enter campus grounds early to receive breakfast or visit the library. Breakfast is supervised in the cafeteria by a school proctor; the library is open 30 minutes before school starts. Students arriving through entrance gates, bus areas and crosswalks are greeted and supervised by assigned teachers, assigned paraeducators, administrators and security personnel. During lunch, some teachers, assigned paraeducators, counselors, administrators and all security staff patrol the campus and share supervisory responsibility of the cafeteria and common areas. At the end of the day, assigned paraeducators, all administrators, all counselors and all security staff are strategically placed on campus to supervise the bus, student pickup and exit areas and to help with traffic flow and ensure students depart safely. A School Resource Officer is on site all day long as well.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## 2020-21 Career Technical Education Programs

The district provides Career Technical Education in Agriculture, Cyber Security, Culinary, and Media Productions.

Students from Palo Verde High School also attend classes at Palo Verde College. These are primarily vocational classes in auto, welding, construction and computer graphics.

Mark Mullion is the representative of the district's Career Technical Advisory Committee and represents the agricultural industry in the area.

## 2020-21 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	648
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	31.6
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

## Course Enrollment/Completion

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

By volunteering for special projects, chaperoning school events or serving on a decision-making group, parents may become a member of Palo Verde High School's learning community dedicated to developing independent lifelong learners. An open invitation is extended to parents to participate in open house, back-to-school night, club activities and fine arts programs. For parents who wish to help their student succeed in school, parenting classes are offered to teach parents effective strategies on how to help and support their student's education at home.

Parents are encouraged to serve on the School Site Council (SSC), English Learner Advisory Committee (ELAC), Future Farmers of America Advisory, Career Technical Education Advisory, Western Association of Schools and Colleges (WASC) focus groups, and booster clubs to actively participate in the growth and improvement process of their student and the school. The SSC approves the school site plan and oversees the school budget, and the ELAC helps students learning English feel welcome at school. Palo Verde High School's booster clubs for the band and athletic programs organize, support and raise funds for students to participate in special events and to purchase equipment.

School-to-home communication is provided in both English and Spanish throughout the year to keep parents up-to-date on their student's progress and school issues. Parents may visit AERIES parent portal <https://paloverdeusd.asp.aeries.net/Student/LoginParent.aspx> for information about their particular student. The following websites also provide information for parents about the school: <http://www.pvhs.pvusd.us> and <https://paloverdeusd.asp.aeries.net>. These websites provide information regarding a particular student and his academic progress in each class and his attendance in each class. They also provide current information; a calendar of activities; homework assignments; student grades; and special announcements from the principal, teachers, librarian and counselors. The school organizes several parent meetings during the year to discuss grade level expectations, FAFSA workshops and other items of importance. Social media is used to keep parents, students and the community updated on activities and events. The school can be followed on Twitter and Instagram as @pvyellowjackets. Palo Verde High School invites parents to get involved in their child's educational experience. Any parent who wishes to donate their time and talents or would like more information may contact Senior Clerk Erin Joslin at (760) 922-7148.

To ensure the safety of our students, all volunteers are required to obtain a fingerprint clearance before they are permitted to volunteer.

For more information on how to become involved at the school, please contact Principal Rachel Angel at (760) 922-7148.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

<b>Expulsions</b>	1.10	0.00	0.37	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

A comprehensive school safety plan was initially developed for Palo Verde High School in collaboration with local law enforcement and fire-protection agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child-abuse reporting procedures, teacher notification and dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The most recent review, update and training associated with the school safety plan took place in January 2022. An updated copy of the School Site Safety Plan is available to the public at the Palo Verde Unified School District office and Palo Verde High School office.

The student handbook outlines school policies and procedures concerning emergency situations, school bus safety, campus behavior, first aid, illness, health issues and special services. Earthquake preparedness drills are conducted once each semester; fire drills are held once a quarter. All visitors are required to check in at the school office upon arrival as well as departure from the school.

## Professional Development

Professional development for staff takes many different forms. Professional development days are outside the contracted days for which the staff is paid to attend and participate. Teachers are also sent to conferences outside of the District to better further the knowledge in their subject matter, or professional presentations are brought to the district for the staff. All staff members also participate in weekly professional learning community (PLC) meetings. These meetings are used for analyzing what is happening in the classroom; data is received through periodic testing as students move through the curriculum. During the 2016-17 school year, many of the days were utilized to focus on attendance data, writing and Lexile reading scores. During the 2017-18 school year, the professional development focus was on Direct Interactive Instruction, including the coaching cycle. During the 2018-19 school year, the focus on Direct Interactive Instruction continued with differentiated training for Year 1 and Year 2 participants. During the 19-20 school year, the focus for professional development has been on deconstruction of standards, Direct Interactive Instruction and curriculum training in English and Mathematics. During the 20-21 school year, the focus for professional development has been on ELD integration within English and Social Science, Virtual Learning trainings and Universal Design for Learning. During the 21-22 school year, the focus for professional development has continued with a focus on Corrective Reading, Universal Design for Learning, Virtual Learning trainings and ELD integration with Mathematics, Science and Social Science.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

# Local Accountability Report Card (LARC) Addendum

## 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
