13 ARTICLE IV

14 LEAVES

Temporary Leaves: Various forms of temporary leave are specifically provided in this Agreement, most of which qualify for continuance of salary during the period of leave. Some are allowable but without pay. If a unit member is absent temporarily for a reason other than those specified, a full day's pay for each day of such absence will be deducted from the unit member's salary. A day's pay for unit member will be the annual salary of the individual divided by the number of days in the legal definition of the school year or period of annual contract as provided in the Education Code and District Policy, unless the form of assignment and contract identifies a daily rate.

Unless otherwise specified, the lengths of the time allowed for the various forms of temporary leave are provided for regular full-time unit members. Unit members serving less than full-time five days a week shall be entitled to a pro-rata allotment of leave time under the various forms of temporary leave.

Temporary leave without pay for any reason not coming under the provisions of those specified by contract may be granted upon request of a unit member at the discretion of the building administrator or other supervisor subject to approval of the Superintendent.

<u>Personal Illness and Injury</u>: Any regular full-time unit member shall be entitled annually to temporary leave for absence occasioned by personal illness, injury, or necessary consultation and/or treatment by generally recognized medical practitioners in connection with such illness or injury.

Said leave shall be a maximum of ten (10) days annually for unit members serving under certificated standard or ten-month contracts, eleven days for those serving under the certificated eleven-month contract, and twelve days for those serving under the certificated twelve-month contract. If a unit member is absent for a half-day or less, a half-day will be deducted from sick leave. If a unit member is absent for more than a half-day, a full day of leave will be deducted. In addition, any unit member serving under a standard or ten-month contract in either the school year prior to or the school year subsequent, who teaches during a summer school sessions, shall be entitled to one additional day of such leave annually with the right to use any temporary leave accrued under this policy being applicable during summer sessions, on the basis that one-half day of personal illness leave may be applied to absence from each day of summer session (usual four (4) hour day).

A unit member, with prior administrative approval, may be absent for no more than two (2) hours with coverage from another unit member or unit members. Unit member(s) may voluntarily and without pay, substitute during their prep period at the request of another member for such purpose.

To achieve the intent of this policy, unit members are encouraged, particularly in the area of personal illness, to seek medical diagnosis, advice and therapy promptly and to utilize the provisions of this form of leave for their own well being as well as for that of students and other staff members. The District recognizes further in the area of illness the temporary periods of high emotional stress or mental agitation occasioned by seriously disturbing incidents in the life of a unit member are a form of personal illness that can be as detrimental to job performance as any physical infection or ailment. The utilization of personal illness leave for such conditions is authorized, with expectation that reasonable constraints and limits on such use will be supplied by the integrity of the unit member in consultation with his supervisor or other District Administrative personnel.

A unit member granted leave under this policy shall be entitled to full pay during the absence to which he would have been entitled if not absent from his assignment, subject to the following limitations:

- 1. For any period of leave under this policy, full pay shall be granted to a unit member up to the number of days accumulated, as provided by law, as of the end of that current school year in which the leave commences, provided that such leave may not extend beyond the end of that current school year without review by the Board.
- 2. For any period of leave under this policy, for any unit member who has served the District fulltime, seven (7) or more consecutive years, and who has less than five (5) school months

of accumulated leave to apply to the period of leave, full pay shall be granted for each day of leave beyond the accumulated leave days not to exceed the number of days by which one hundred (100) exceeds the days of accumulated leave available. Affected unit members shall be entitled to the benefit of this provision one time only; the benefit of this paragraph shall apply only to unit members

who were employed by the District as of January 18, 1977.

- 3. Any unit member shall be entitled to a maximum of five (5) school month's non-accumulated sick leave, subject to the following provisions (E.C. 44977):
 - a. Sick leave, including accumulated sick leave and the five-month period shall run consecutively.
 - b. An employee shall not be provided more than one five-month period per illness or accident. However, if a school year terminates before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year.
 - c. For the period of absence covered by the days of non-accumulated leave the unit member shall receive the difference between the regular salary and the sum which is actually paid a substitute employee to fill the position during absence or, if no substitute was employed, the amount which would have been paid to the substitute had one been employed.
- 4. Disability leave connected with or resulting from pregnancy shall be charged to unit member's accumulated sick leave at the election of the unit member. Disabilities under this section shall be:
 - a. Diagnosed and verified in writing to supervisor by recognized medical practitioner or health consultant.
 - b. Communication in writing must include unit member's name, name of medical practitioner or health consultant, business address and phone number, as well as the estimated time the unit member will be unable to perform regular duties and beginning date of disability leave.
 - c. The benefits of this section only apply to the verified dates of disability. The before and after dates will be defined as the school days scheduled before and after the disability.

<u>Authorized Leave Verification</u>: The District may, when it has reason to believe a teacher is misusing leave, require that verification of the valid use of that leave be presented. If just cause

exists because of misuse of leave, the District may take appropriate disciplinary action. If the District requests additional medical verification, the medical expenses incurred in the verification of the legitimate use of leave shall be borne by the District.

<u>Personal Necessity Leave</u>: Employees may use at their election accumulated sick leave not to exceed seven (7) days per year for cases of personal necessity for the following reasons, using the procedures below:

1. Personal Necessity not requiring advance permission to be absent from duty:

- a. Death or serious illness of a member of his/her immediate family (definition of immediate family contained in Education Code 44985).
- b. Accident involving their person or property or the person/property of their immediate family.

2. Personal Necessity requiring advance permission before being absent from duty:

- a. Appearance in any court or before any administrative tribunal as a witness under subpoena or other agency order made with jurisdiction. If the unit member can reasonably return to his/her assignment for at least half a day or be present half a day before leaving to appear, the employee is expected to do so. (In the event a substitute teacher is employed to cover the absence, the building administrator may utilize the teacher for other professional duties for the half day).
- b. Delay in returning to work because of unavoidable circumstances (flood, storm, vehicle breakdown, public transportation delay), unless the employee is not in a position to give advance notice.
- c. Early departure at the end of a contract year or late return at the beginning of a contract year because of scheduled college attendance (late summer session, NSF Workshop, etc.) or because of professional growth travel where the entire tour or to and from transportation arrangements are under organization auspices (NEA Travel Tours, etc.). This leave is subject to the written approval of the Superintendent and at his/her discretion.
- d. Personal business not to exceed four (4) days per year. It is the purpose of this provision to provide employees leave for personal business. In order to take personal business leave a written request must be made at least 48 hours in advance. The leave may not be taken the first five school days or the last five school days of any school year or the day before or after a holiday or vacation

unless approved by the Superintendent or designee. The district shall not require employees to state reasons for personal business leave. The building administrator shall have the right to refuse the request when too many unit members request to use the same day.

A unit member, with prior administrative approval, may be absent for no more than two (2) hours with coverage from another unit member or unit members. Unit member(s) may voluntarily and without pay, substitute during their prep period at the request of another member for such purpose.

Family Illness: Any regular full-time unit member shall be allowed annually (non-cumulative) up to five (5) days of leave with full pay in the event that serious illness or injury incurred by a member of the unit member's family requires the immediate and actual presence of the unit member with the ill or injured person. For purposes of this policy section, "family" shall include only mother, father, husband, wife, domestic partner (registered or unregistered) as long as the domestic partnership meets the requirements of the California Family Code section 297, son, daughter, brother, sister, mother-in-law, or father-in-law of the unit member, or any relative of the unit member or of the spouse/domestic partner per the above definition of the unit member living in the immediate household of the unit member. Any such days of leave taken under this Article shall be charged to and deducted from the unit member's full pay days of accumulated sick leave.

Bereavement: Any regular full-time unit member shall be entitled to five (5) days leave of absence with full pay in the event of the death of a member of an immediate family member as defined in Education code Section 44985, (i.e., mother, father, grandmother, grandfather. Or a grandchild of the employee or of the spouse of the employee, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, or sister of the employee, or any other relative living in the immediate household of the employee.), "Immediate family member" shall also include domestic partner, (as defined by California Family Code section 297), in-laws, aunts, uncles, nieces, nephews or a person who has acted "in loco parentis" to the unit member or the spouse of the unit member. Up to three (3) days additional leave will be granted if the travel distance exceeds 200 miles to attend or arrange for the funeral.

<u>Judicial and Official Appearances</u>: Any regular full-time member shall be entitled annually (non-cumulative) to a maximum of three days leave for the purpose of appearing as a witness in court other than as a litigant or to respond to an official order from another governmental jurisdiction for reasons not brought about through the connivance or misconduct of the unit member.

Any regular full-time unit member shall be entitled to serve when called for required jury duty in the manner provided by law.

1 2

During the normal working day, those unit members required to appear for jury duty within the city limits of Blythe will return to the work site to perform their regular duties within thirty (30) minutes of release by the court unless said release is after 2:00 p.m.

Leaves provided under this section shall be granted with pay for the unit member up to the amount of the difference between the unit member's regular earnings for the period covered by the leave and any amount he/she receives for juror or witness fees. This does not apply to transportation or living expenses which may be paid to the unit member in connection with service as a juror or witness.

Quarantine: Any regular full-time unit member shall be entitled to leave with full pay subject to limitations below for absence from duty because of quarantine which results from his contact with other persons having a contagious disease while performing his duties, or because of temporary inability to perform the services required of him because of said quarantine.

If the period of quarantine extends beyond 60 days during which the schools of the District are required to be in session or when the unit member would otherwise have been performing work for the District in any one fiscal year, the unit member shall be entitled to salary in any given month which shall be the difference between the amount due him for that month and the amount actually paid a substitute employee employed to fill his position during his absence for that time exceeding 60 days.

This section applies only to quarantine of the unit member. If subsequent to the unit member being placed on leave for quarantine, the unit member contracts an illness as a result of exposure to the contagious disease, the leave for quarantine shall be terminated and the provisions of personal illness leave policy shall become effective.

Industrial Accident or Job-Incurred Illness:

- 1. Allowable leave for each industrial accident or illness shall be for the number of days of temporary disability, and shall be limited to sixty (60) days during which the schools of the District are required to be in session or when the unit member would otherwise have been performing work for the District in any one fiscal year for the same accident.
- 2. Upon termination of the industrial accident or illness leave, the unit member shall be entitled to the benefits provided for such leave and his absence for such purpose shall be deemed to have commenced on the day of termination of the industrial accident or illness leave, provided that if

- the unit member continues to receive temporary disability indemnity, he may elect to take as much of his accumulated sick leave, which when added to his temporary sick leave indemnity will result in
- 3 payment to him of not more than his full salary.

- 3. Allowable leave shall not be accumulated from year to year.
- 4. The leave under these rules and regulations shall commence on the first day of absence.
- 5. When a unit member is absent from his duties on account of industrial accident or illness,
- 7 he shall be paid such portion of the salary due him for any month in which absence occurs, as when
- 8 added to his temporary disability indemnity under Division 4 or Division 4.5 of the Labor Code, will
- 9 result in payment to him of not more than his full salary.
- 6. Industrial accident or illness leave shall be reduced by one day for each day of authorized absence regardless of a temporary disability indemnity award.
 - 7. When an industrial accident or illness leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due him for the same illness or injury.
 - 8. During any paid leave of absence, the unit member shall endorse to the District the temporary disability indemnity checks received on account of his industrial accident or illness. The District, in turn, shall issue the unit member appropriate salary warrants for payment of the unit member's salary and shall deduct normal retirement and other authorized contributions.
 - 9. Any unit member receiving benefits as a result of these rules and regulations shall, during period of injury or illness, remain within the State of California unless the Governing Board authorizes travel outside the state.
 - Long-Term Leaves: A unit member, upon written request, may be granted a long-term leave of absence by the Board. No such leave of absence may be extended beyond twelve months, except by renewal by the Board. Long-term leaves shall, as much as possible, be coincident with one regular school or fiscal year.
 - Except as may be required by law, long-term leave will not normally be granted to a probationary unit member.
 - Such leave shall not constitute a break in continuity of service, but the period of leave shall not be considered as employment for the various purposes of computing cumulative years of service in the District, including advancement on any salary schedule.
 - Upon expiration of the leave the unit member shall be reinstated in the position held by him prior to the leave or in a position comparable in responsibility, there being no assurance implied herein of return to an exact assignment held prior to the leave. The Board reserves the right, herein of

return to an exact assignment held prior to the leave. The Board reserves the right, subject to applicable provisions of the law, to make such change in position assignment of the unit member upon his return from leave that will best serve the interests of the District.

Maternity Leave: The governing board shall provide for leave of absence from duty for any certificated employee of the district who is required to be absent from duties because of pregnancy, miscarriage, childbirth, and recovery there from. The length of the leave of absence, including the date on which the leave shall commence and the date on which the employee shall resume duties, shall be determined by the employee and the employee's physician. Unit members are also eligible to receive four (4) weeks paid leave (no deduction from sick leave).

Disabilities caused or contributed to by pregnancy, miscarriage, childbirth and recovery therefrom are, for all job-related purposes, temporary disabilities and shall be treated as such under any health or temporary disability insurance or sick leave plan available in connection with employment.

Except as provided herein, written and unwritten employment policies and practices shall be applied to disability due to pregnancy or childbirth on the same terms and conditions applied to other temporary disabilities.

This section shall be construed as requiring the governing board to grant leave with pay only when it is necessary to do so in order that leaves of absence for disabilities caused or contributed to by pregnancy, miscarriage, or childbirth be treated the same as leaves for illness, injury, or disability. (E.C. 44965)

The unit member, while on leave, shall have the option to remain an active participant in the District fringe benefit programs by contributing in total thereto.

<u>Sabbatical Leave</u>: It shall be the policy of this District to consider requests for sabbatical leave from full-time unit members and to grant sabbatical leave under certain prescribed conditions. The District acknowledges the several beneficial purposes of granting such leave, including:

- 1. Recognition of faithful and competent unit member service.
- 2. Improvement of professional competence and stature as a service both to the individual unit member and to the District.
- 3. Encouragement of continuity of service in the District.

Such leave may be granted for carrying on a full program of professional study at an accredited four-year college or university in areas of educational foundations, instructional techniques, background depth and broadened experience in content areas, or advanced training related to specialized assignments and/or advanced credential qualifications. Applicants shall

indicate through the application procedure the nature and extent of the proposed program of study, specifying probable courses or course areas to be pursued.

Sabbatical leave shall be granted only to unit members who have a minimum of seven (7) consecutive years of full-time service with the District prior to the granting of the leave and since entry into service with the District or since resuming service after any previous sabbatical leave granted by the District. The Board reserves the right to limit the number of sabbatical leaves granted for any one fiscal year up to a maximum of 3% of the total certificated staff.

Deadline for receiving applications for sabbatical leave to be granted during any fiscal year shall be March 1 of the year immediately proceeding. Except in unusual circumstances requiring an earlier decision, all applications will be considered at one time subsequent to the deadline date for application. Factors to be considered in determining the order of approval where more than one application is received will be:

- 1. Order of date of receipt of official applications.
- 2. Length of service in District

- 3. Equitable distribution of leaves among schools of the District.
- 4. Consideration of optimum number of staff on leave from any one school.
- 5. "Second time" versus "first time" requests.

If after determination of the number of leaves to be granted in a given year, one of the unit members granted leave finds it necessary to forego his leave, the Board may reopen the application period to consider applicants for the leave that is available.

Leave granted under this policy following seven or more consecutive years of service shall be for a full twelve (12) month period or may be for two six-month periods, provided that the leave of absence for both separate six-month periods shall be commenced and completed within a three (3) year period. A unit member may initially request granting of leave for only a six-month period, which, if granted, shall not be subject to reconsideration for an additional six-month period within the three year limit and which shall be the extent of sabbatical leave due the unit member until the completion of at least seven (7) additional years of consecutive service to the District.

Compensation for a unit member while on sabbatical leave shall be fifty (50) percent of the scheduled salary on the appropriate salary schedule which would have been in effect during the period of leave.

No unit member on sabbatical leave may accept a comparable job in another school district or a paid research or teaching assistantship at the college or university calling for in excess of fifteen (15) hours of work per week. A unit member may accept scholarships or fellowships including teaching requirements not contrary to the fifteen (15) hour limit, when the purpose of the grant or appointment is related to the unit member's stated purpose for the leave.

A unit member granted sabbatical leave shall be obligated to render a period of service to the District following the leave equal to twice the length of the period of leave. This obligation shall be assured by the furnishing of a bond if the unit member wishes to receive his sabbatical leave compensation in regular monthly payments while on leave. No bond is required if the unit member agrees to accept the compensation in the form of payments or installments after his return to service with the District, as provided in the law. Verification of registration, continuing progress of the professional study, and of completion of the work undertaken shall be provided in accordance with District rules and regulations. A summary report of the period of professional study and its expected benefit to the District shall be submitted to the Board by the unit member upon his return to service.

While on leave a unit member shall have the option to remain an active participant in the District fringe benefit program by contributing in total thereto. The time a unit member is on sabbatical leave shall be recognized as uninterrupted service to the District.

<u>Military Leave</u>: Unit members shall be allowed military leave subject to the provisions of applicable federal and state law.

<u>Personal Leave</u>: The Board recognizes that circumstances in the lives of unit members may occasionally determine the compelling and reasonable need to interrupt continuing service with the District for a period of six (6) months to a year and that such need may not qualify for leave under the several forms of leave available to unit members.

Any regular full-time permanent unit member may submit written request for personal leave for from six months to one year. Granting of such leave will be considered on the basis of the need, of which the Board shall be judge, and in terms of the availability of an adequate replacement for the unit member during the period of leave. Such leave shall be without pay.

Personal leave under this policy will also be granted to permanent or probationary female unit members terminating a maternity leave as provided in the policy on maternity leave.

Catastrophic Sick Leave Bank:

1. A catastrophic injury or illness shall be defined as: any injury or illness which has incapacitated or will incapacitate a certificated employee for an extended period of time as determined by the committee based upon competent, documented medical evidence.

2. The Joint Catastrophic Sick Leave Bank Committee hereinafter referred to as the Committee determines the certificated employee's eligibility to receive donated leave under this section. The Committee shall be composed of four (4) appointees, two (2) by the District and two (2) by PVTA. The Committee shall prepare a written report regarding the matters submitted to it. The report shall be submitted to the District and the Association as an information item. Any action taken requires the presence of all Committee Members; a simple majority vote shall prevail, a tie vote shall represent a denial.

- 3. To be an eligible participant of the Catastrophic Sick Leave Bank, a probationary or permanent certificated employee must donate one day of sick leave during the open enrollment period and one day each year thereafter. Current participating members will be exempt from donations in any year in which the bank exceeds 200 days on September 1. A certificated employee may only join the Sick Leave Bank during the annual open enrollment period in September. New members wishing to enter the bank will be required to donate one day during the open enrollment period regardless of the total number of days in the Bank. New employees may also join during the 30 calendar days following initial employment.
- 4. Donations of sick leave days to the Bank shall be irrevocable. Sick leave which is donated under this section shall be deducted from the accrued sick leave authorized under Article IV Section labeled <u>Personal Illness and Injury</u> in the Agreement.
- 5. Sick leave day contributions will be authorized on the appropriate form (Appendix E-1) and continue from year to year under the provisions addressed below until canceled by the certificated employee. No sick leave may be surrendered or drawn for purposes of summer school.
- 6. A certificated employee who qualified for catastrophic injury or illness leave may not draw upon the Bank until all fully paid illness or injury leave is exhausted. A certificated employee who has exhausted sick leave but still has differential leave is eligible for a partial supplement from the Bank. The District shall pay the certificated employee full pay and the Bank shall be charged one-half day. This shall not exceed the amounts allowed a maximum below.
- 7. Leave from this Bank may not be used for illness or disability which qualifies the certificated employee for Worker's Compensation leave, and/or his/her own paid leave.
- 8. The maximum number of workdays from the Bank allowed by one member for a single catastrophic injury/illness shall not exceed 10 days.

- 9. If there are insufficient days in the Bank, there is no obligation to grant leave hereunder, in whole or in part. The District, Association, and Committee shall not be legally responsible if there are insufficient days in the Bank to provide a Catastrophic Sick Leave withdrawal.
- 10. The certificated employee shall submit a "Certificated Sick Leave Bank Request for Withdrawal" form, (Appendix E-2) for the release of medical information. The Committee may require an independent medical evaluation to determine a certificated employee's right to receive leave from the Bank.
- 11. No action taken by the Committee under this section shall be subject to the grievance procedure of this Agreement. A certificated employee dissatisfied with any action taken or decision made by the Committee concerning the Catastrophic Leave Plan herein provided may submit a request for an appeal for reconsideration with additional supportive documentation. No request for appeal shall be considered by the Committee unless the request for appeal is submitted no later than ten (10) calendar days after the action or decision in question. A waiver may be granted to an employee who is unable to make a request in a timely fashion due to medical reasons.
- 12. The Committee shall have no jurisdiction to hear any request which is not submitted within the required time frame.
- 13. If any provision of the section is held to be unlawful, then this entire section shall be null and void. This section supersedes any obligation of the District under Education Code Section 44043.5

The unit member may be represented by the Association during this conference.
- b. After the conference, the immediate supervisor or other appropriate administrator shall decide whether or not to impose a suspension without pay and give the unit member written notice thereof. Except in cases of major or serious infractions, the suspension shall not be imposed until the time limit for appeal to arbitration has expired and in the event that appeal to arbitration is timely filed, the suspension (except in cases of serious or major infractions) shall be held in abeyance until the decision of the arbitrator has been rendered.
- c. Upon being served with written notice of suspension, the unit member may request a hearing before an arbitrator who shall be chosen by mutual agreement of the District and the Association. If mutual agreement cannot be reached within five (5) calendar days (excluding days the District Office is closed) after a request for hearing is received, the parties shall request a list of five (5) arbitrators from the State Conciliation Services. As soon as the list of five (5) potential arbitrators is received, the parties shall strike names and the remaining individual shall serve as the arbitrator.
- d. The unit member must file the request for hearing under Section c. above with the Superintendent's Office no later than five (5) calendar days (excluding days the District Office is closed) after receiving the notice of suspension. Failure to file a written appeal within the five (5) day period shall be deemed a waiver of any right to a hearing.

- e. The arbitrator shall prepare a written findings and a decision within thirty (30) calendar days after the close of the hearing. The decision shall be binding on all parties, but the arbitrator shall have authority only to affirm, modify or revoke the suspension without pay. Any modification shall be limited to increasing or decreasing the number of suspension days and, if the suspensions reduced or revoked, the unit member shall be entitled to back pay for the number of suspension days rescinded.
 - 4. The terms "discipline," "disciplinary action" and "suspension," for purposes of this Article, mean suspensions without pay not to exceed fifteen (15) consecutive work days.
 - 5. The costs of an arbitrator shall be borne equally by the District and the Association. Each party shall bear its own costs of representation at the hearing.
 - 6. Nothing contained in this Article shall be construed to limit or restrict the authority of the governing board to dismiss, suspend or to take other disciplinary action under the Education Code or other applicable law. Suspensions of fifteen (15) working days or less shall be subject to the due process procedure set forth in this Article and the contractual grievance procedure shall not apply.

ARTICLE VI

GRIEVANCE PROCEDURE

- 1. <u>Definition of a "grievance"</u>: A "grievance" is a formal written allegation by a unit member that he/she has been adversely affected by a violation of the specific provisions of this Agreement. The President of the Association may file a grievance on behalf of the Association, alleging that the District has violated a provision of Article III of this Agreement. Actions to challenge or change District Policy contained in the rules and regulations of the Board of Administration regulations and procedures must be undertaken under separate legal processes. Other matters for which a specific method of review is provided either by law or in the rules and regulations of the Board of Trustees, or in the Administrative regulations and procedures of the school district are not within the scope of this procedure. For a violation of Education Code or Board Policy, complaint forms are available at school sites and the Superintendent's office.
- 2. If unit members have like grievances, i.e., based upon the same act or omission and with like facts, and if the parties agree that they are like grievances, then they may be filed and/or processed as a group grievance through the Association, building representative or grievance committee representative.

3. The Association may file grievances on behalf of its membership so long as individual(s) involved are identified and the case details are contained within the grievance. Association grievances will be handled in the same manner as individual grievances.

4. **Definitions**:

- 4.1 A "day" is one in which the District Office is open for business, excluding unit member holidays occurring within the contracted work year.
- 4.2 The "immediate supervisor" is the first level administrator having immediate jurisdiction over the grievant.

5. Time Limits

- 5.1 A grievance shall be initiated at Level I within thirty (30) days after the grievant has become aware or should have reasonably become aware of the act or occurrence which forms the reason or basis for the grievance.
- 5.2 <u>Informal Conference</u>: Before filing a formal written grievance, the grievant shall attempt to resolve it by an informal conference with the grievant's immediate supervisor. The grievant has the right to be accompanied by a third party of his or her choice.
- 5.3 Within ten (10) days after the occurrence of the informal conference, the grievant must present such grievance in writing on the appropriate form to the immediate supervisor. This statement shall be a clear, concise statement of the grievance, the circumstances involved, the decision rendered at the informal conference, and the specific remedy sought. The supervisor shall communicate a decision to the grievant in writing within ten (10) days after receiving the grievance. Within the above time limits either party may request a personal conference with the other party.
 - 5.3.1 In the event the immediate supervisor has no right or authority to resolve the Grievance, the grievant shall be notified in writing within five (5) days and immediately proceed to Level III of these procedures.
- 5.4. Level II: In the event the grievant is not satisfied with the decision at Level II, it may be appealed in writing within ten (10) days of receipt of the supervisor's written response. This statement should include a copy of the original grievance, the decision rendered, and a clear, concise statement of the reasons for the appeal. The Superintendent or designee shall communicate a written decision with ten (10) days after receiving the appeal. Either the grievant or the Superintendent or designee may request a personal conference within the above time limits.

5.5 Level III: Mediation

- 5.5.1 If the grievant and/or Association is not satisfied with the decision made at Level II, or if there was no District response, the grievance shall be referred to grievance mediation.
- 5.5.2 The Association shall request that a conciliator/mediator from the California State Mediation/conciliation Service, or from any other mutually agreeable recognized dispute resolution center, be assigned to assist the parties in the resolution of the grievance.
- 5.5.3 If an agreement is reached, the agreement shall be reduced to writing and signed by the grievant, the Association, and the District. This agreement shall be nonprecedential and shall constitute a settlement of the grievance.
- 5.5.4 In the event that the grievant, the Association, and the Superintendent or his/her designee have not resolved the grievance with the assistance of the conciliator/mediator within fifteen (15) days from the first meeting held by the conciliator/mediator, the Association may terminate Level Three and the grievance may proceed to Level Four.

5.6 Level IV: Binding Arbitration

- 5.6.1 In the event that the grievant is not satisfied with the decision of the Superintendent or his/her designee, the matter may be submitted for arbitration by filing a written request to the Palo Verde Teachers Association no later than fifteen (15) days following the decision of the Superintendent/designee. No unit member grievance will go to binding arbitration without the consent of PVTA.
- 5.6.2 If the Association determines that the grievance is appropriate, it shall notify the District that it is proceeding to arbitration, and request the California Mediation and Conciliation Service to provide a list of arbitrators. If the District and PVTA are unable to mutually agree upon an arbitrator, the parties shall, within ten (10) days of the receipt of the request for arbitration, submit a request to the California State Conciliation Service to submit a group of five (5) names. The parties shall alternatively strike names from the list supplied until one (1) name remains who shall then be the arbitrator. The arbitrator shall then be immediately notified by the appropriate party and a hearing date shall be set which is mutually agreeable to all parties. The arbitrator shall limit the decision to the specific issue or issues submitted. The arbitrator shall have no authority to alter, amend, add to or subtract from the

- specific provisions of the Agreement. The arbitrator's decision shall be final and binding on the parties.
 - 5.6.3 Fees and expenses of the arbitrator shall be paid by the party receiving an unfavorable decision. In the event that the arbitrator renders a "split decision" or either the District or PVTA disputes the decision, the parties shall send the decision to a mutually agreed upon State Mediator requested from the California State Conciliation Services for ruling of the parties' obligation(s) to pay [i.e. sixty percent (60%) win vs. forty percent (40%) loss, etc.].
 - 6. <u>Miscellaneous</u>: A unit member may be represented at all stages of the grievance procedure by himself, or at his option, by a representative selected by the Association. If a unit member is not represented by the Association or its representative, the District shall not agree to a resolution of the grievance until the exclusive representative has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.
 - 7. When it is necessary for a representative designated by the Association to attend a grievance meeting or hearing during the day, he will, upon notice to his Principal or immediate supervisor, by the President of the Association, be released without loss of pay in order to permit participation in the foregoing activities. Any unit member who is requested to appear in such meeting or hearings as a witness will be accorded the same right.
 - 8. All documents, communications and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the unit members. It is understood that certain documents, communications and records from the unit member's personnel file may be used as resources in processing the grievance.
 - 9. Forms for filing grievances, serving notices, will be prepared jointly by the Superintendent and the Association and given appropriate distribution by the Association so as to facilitate operation of the grievance procedure. The costs of preparing such forms shall be borne by the District. The Association shall be provided a copy of all grievances filed by unit members.

ARTICLE VII

CONCERTED ACTIVITIES

1. It is agreed and understood that there will be no strike, work stoppage, slowdown, picketing in connection therewith, or refusal or failure to fully and faithfully perform job functions and responsibilities, or other interference with operations of the District by the Association or by its

- officers, agents, or members during the term of this Agreement, including compliance with the request of other labor organizations to engage in such activity.
- 2. The Association recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort toward inducing all unit members to do so. In the event of a strike, work stoppage, slowdown or other interference with the operations of the
- District by unit members who are represented by the Association, the Association agrees in good faith to take all necessary steps to cause those unit members to cease such action.
 - 3. It is agreed and understood that any unit member violating this Article may be subject to discipline up to and including termination by the District.
 - 4. It is understood that in the event this Article is violated, the District shall be entitled to withdraw any rights, privileges or services provided for in this Agreement, in District policy, or by Education Code or Government Code from the Association.

14 ARTICLE VIII

PERSONNEL FILES

1. Materials in personnel files of unit members which may serve as a basis for affecting the status of their employment shall be available for the inspection of the unit member involved and/or his/her designated representative.

Such material is not to include ratings, reports or records which (a) were obtained prior to the employment of the unit member involved (b) were prepared by identifiable Examination Committee members, or (c) were obtained in connection with a promotional examination.

Every unit member shall have the right to inspect such materials upon request, provided that the request is made at a time when such unit member is not actually required to render services to the employing district.

Information of a derogatory nature, except material mentioned in the second paragraph of this Section, shall not be entered or filed unless and until the unit member is given notice and an opportunity to review and comment thereon. A unit member shall have the right to enter and have attached to any possible derogatory statement his own comments thereon. Such review shall take place during normal business hours, and the unit member shall be released from duty for this purpose without salary reduction, providing it does not interfere with classroom teaching responsibilities.

2. The District shall not base any adverse action upon material which is not in the unit member's personnel file or which has not been placed there within 45 days following the date upon

- 1 which the District knew or should have known of the conduct upon which the adverse action is based.
- 2 This clause shall not restrict the District's right to introduce any relevant oral testimony or written
- 3 documentation at a subsequent administrative or legal hearing.
 - 3. Any citizen or parental complaint concerning a unit member shall be immediately investigated by District management. If the initial investigation reveals the complaint has merit, District management shall immediately notify the affected unit member concerning (a) the nature of the complaint, and (b) the identity of the complainant. The affected unit member shall have an opportunity to respond to the complaint. If the complaint proves to be without merit, no record of the complaint will be entered into the unit member's personnel file.
 - 4. At the request of the unit member or District management, and upon receipt of a written complaint, a meeting with the complainant and unit member shall be scheduled. The unit member shall be entitled upon request to be represented or accompanied by a representative of the Association. The complainant may be accompanied by a representative of his choosing.
 - 5. If, as a result of the meeting, no satisfactory resolution is reached, a written complaint may be placed in the unit member's personnel file. In connection therewith, the affected unit member may exercise his rights under paragraph 1 above. If, at the end of the investigation, the charges contained in the complaint have been proven to be false, no record of the matter shall be entered into the unit member's personnel file.
 - 6. Official District personnel files shall be maintained at the District Office.

21 ARTICLE IX

ASSIGNMENTS AND TRANSFERS

From time to time it may be desirable, from the unit member's standpoint, to change assignment or job site. A transfer is defined as a change of job site. A change in assignment is defined as a change in grade level and/or subject matter. Opportunities for a different instructional program and new challenges are renewing experiences for those desiring the change. It shall be the practice in the Palo Verde Unified School District to provide such opportunities to its teachers.

Vacancies

- A vacancy is defined as any position that does not have a unit member assigned to it. This includes
- 30 any vacated promotional, or newly created position, including positions created by reconfiguration or
- 31 restructuring and any supplemental instructional programs offered by the district.

- 1. As openings or vacancies in the District occur, information concerning those openings will be posted at the schools and emailed to all unit members on school email to provide teachers the opportunity to apply. Such vacancies shall consist of site, grade level, subject matters, and/or level responsibilities as appropriate.
- 5 2. Current lists of said vacancies shall remain posted at the District Office during the summer months.
 - 3. No posted openings or vacancies shall be permanently filled until five unit member workdays after notice of the vacancy has been posted.
- 9 4. In cases when vacancies occur unexpectedly, the District shall have the right to fill the unexpected vacancy through an involuntary process.

Assignments

- 1. Tentative, initial assignments for the following school year shall be provided in writing to unit members by the first Friday after May 15th. This tentative assignment is not guaranteed for the upcoming year.
 - 2. Unit members shall not be reassigned for punitive or arbitrary reasons.
- 3. If an involuntary reassignment occurs the unit member may request the reason for the reassignment in writing within ten (10) days of notification of the reassignment.
 - 4. If a reassignment occurs during the school year, the impacted unit member shall have two (2) paid working days without students to prepare and organize for the reassignment. If the reassignment also necessitates a change in classrooms, the unit member shall have an additional paid work day to effectuate the move. The District shall be responsible for moving all District property and curriculum to the new classroom.

Voluntary Transfer

- As openings or vacancies in the District occur, information concerning the vacancies will be posted at the schools to provide teachers with the opportunity to apply. Such vacancies shall consist of subject matters and/or level responsibilities.
 - 1. Unit members interested in changing their work location should apply for the openings or vacancies directly to the principal of the school involved, both verbally and in writing, within five (5) working days of the posted notice. Principals of the various schools, recognizing the value of the provisions of this regulation both to the unit member and the District's instructional program, will allow such transfers to occur if those requesting the transfer are qualified and are accepted by the principal of the school having the vacancy. If, in the sole judgment and discretion of the District, two

- 1 or more unit members are equally qualified, then, in that event, the unit member with the greatest
- 2 District seniority shall be selected for the transfer.
- 2. Transfer requests by the unit member shall be addressed to specific openings or vacancies and will be considered on the basis of the following criteria:

 - 3. Unit members involved in such transfers shall be given the specific reasons for the impending transfer in writing, and shall have the right to indicate preferences from the list of openings or vacancies.

Once a transfer or reassignment occurs, the unit member shall remain in that position for the remainder of the school year, with the exception of vacancies in non-classroom positions. He/she may request a transfer or reassignment for the next year. Unit members may appeal decisions involving transfer or reassignment directly to the Superintendent. The Superintendent's decision is final. District initiated transfers shall not result in the loss of compensation or fringe benefits to the unit member.

- 5. If the transfer occurs after the school year has begun, the impacted unit member shall have three (3) paid working days without students to prepare and organize for the transfer. The affected Unit Member shall be given three days to use in any combination of the two options listed below:
- a. Paid working days without students. The District will provide a substitute for the affected Unit Member's classroom.

31

5. During the term of this Agreement, the District shall continue to assign secondary unit members one teaching period per day to be used for preparation, planning, and/or conferences.

a. While the primary purpose of such periods is for preparation and planning, the District retains the right to assign unit members other professional responsibilities during their preparation period, including, but not limited to substituting for other unit members in cases where the District has not secured a substitute teacher from the usual sources.

- b. When it becomes necessary for a secondary principal to assign unit members to substitute duties during their preparation periods, the principal shall first seek substitutes from a list of volunteers. The unit members, whether substituting voluntarily or by assignment, will be paid at a rate of Extra Duty hourly rate per class period. Due to the individualized nature of the program and the low student-teacher ratio, this provision shall not apply to continuation school(s).

This formula would apply for each full day that their class is used for redistributing students when a substitute would otherwise be used. Half-day coverage would be \$75.00 divided by the number of teachers receiving the absent teacher's students. Students should be redistributed into relatively equal groups.

- 1. For the 2020-21 school year and ongoing, PVTA proposes increasing the Health Benefit cap from \$13,340 to \$14,140. In exchange for the changes to Article XI, which will mitigate learning loss in the District, unit members will receive a one-time \$350 off-schedule payment, for the 2021-21 school year, payable in the April 2021 pay warrant.
- 2. It is understood for the purposes of negotiations that the definition of salary shall include any item noted in Appendix A and Appendix B. This includes both the annual salary adjustment or supplement and structure of the schedule. Beginning July 1, 2016, increase Appendix A (Teacher Salary Schedule) by 4% and an additional 3% in exchange for conversion of the mid-year ½ day teacher-directed day to a full day district-directed day. Also, one shortened day per week will be provided for elementary (TK-8) teachers to be used as instructional preparation time. A minimum of 120 minute work block will be provided as a conference/collaboration/preparation time. The District

may use this teachers' preparation time one per trimester and one (1) additional preparation time per the administrator's scheduling discretion for professional development (for a total of 7% increase to the salary schedule).

For the 2019-20 school year, a 1.25% salary increase retroactive to July 1, 2019 shall be added to Appendix A of the Collective Bargaining Agreement. Appendix B will remain unchanged. A work block will be provided as a conference/collaboration/preparation/PLC time utilizing early release one day per week to provide a minimum of a 60 minute work block at the elementary and one period at the secondary level. At the secondary level, the District may use this PLC time twice per quarter for professional development.

- 3. It is understood that the working definition of health and welfare will simply be the insurance benefit package provided by the District as outlined in this Article.
- 4. Unit members shall receive step and column movement as per salary schedule and extra duty assignment pay as per salary schedule. The Teachers Salary Schedule is attached as Appendix A-1. The Extra Duty Salary Schedule is attached as Appendix B.
- 5. During the term of this Agreement, the District agrees to pay the Health and Welfare premiums as reflected below:

a. Health and Welfare Benefits

Effective upon contract ratification, the District contribution toward benefits for certificated teachers shall be \$14,440, allocated between medical, dental, and vision, according to the chart below. Employees selecting plans which cost in excess of \$14,440 shall have the difference deducted from their salary warrants on a tenthly basis. District contributions are made on a monthly basis.

- 7. Beginning in the spring of 2000, health insurance will be available to those certificated employees who retire under the following conditions and guidelines.
 - a. An employee must have served 10 consecutive years immediately preceding retirement. A certificated employee who retires after his or her 55th birthday and prior to the beginning of or at the end of the school year in which his or her 64th birthday occurs shall be provided, at his or her request, health insurance coverage with the District paying 85% of the premium(s) then in effect, and the employee paying 15% each year until the end of the month in which the employee reaches age 65. This benefit extends only to health insurance and does not include vision or dental coverage. The health insurance rate structure for early retirees shall be based upon a three tiered rate (single, two-party, family).
 - b. Employees who elect not to retire prior to or at the conclusion of the teaching year in which they reach age 64 shall not be eligible for this benefit. Employees retiring at age 64 through age 65 may continue on the district health plan until age 65, but only at their own expense with no District contributions.

At the unit member's request, the evaluator shall provide reasons in writing for withdrawing consent to continue a unit member on a 5 year evaluation cycle.

The District and Association shall review procedures which might be utilized to broaden the scope of this paragraph to include permanent bargaining unit members who are not teachers of core academic subjects.

The District and the Association will meet to discuss evaluations as they relate to the non "core" teachers. Additionally, on or before June 1, 2018, the District and the Association will establish a committee of four (4) individuals, evenly made up of District and Association members, to assess our current evaluation system with the goal of improving instruction and professional practice through coaching, mentoring, and modeling. APPENDIX D: PEER ASSISTANCE AND REVIEW PROGRAM

Belief Statement

Assembly Bill 1X, (Chapter 4, Statutes of 1999) the California Peer Assistance and Review (PAR) Program for Teachers provides a genuine opportunity to forge new working partnerships in education and to strengthen the teaching profession. The purpose of this legislation is to improve the education of students and strengthen the classroom performance of teachers. Learning to teach effectively depends upon ongoing professional growth and is a lifelong developmental process.

Palo Verde Teachers Association (Association) and Palo Verde Unified School District (District) agree to participate in the PAR Program. Both organizations declare a mutual interest in and commitment to the successful and meaningful implementation of AB1X, the California PAR program.

The successful implementation of PAR requires that all parties work together in recognition of their individual and shared interest(s) to accomplish the overriding common goal -- the success of teachers and students. PAR provides teachers and administrators with the opportunity to work collaboratively to develop and implement a full continuum of professional support to new teachers and successful veteran teachers.

PEER ASSISTANCE AND REVIEW (PAR) COUNCIL

The Peer Assistance and Review (PAR) is a tier III program and therefore able to be "swept" as a budget-savings measure. With that in mind, the District and the Association agree to cease offering the PAR program on an ongoing basis. However, if a teacher is referred to PAR, the District and Association will meet to discuss the feasibility of working with the teacher. This agreement will continue in force throughout the term of the contract and can be brought back whenever the District and/or Association agree to do so.

1. The PAR Program is supervised and evaluated by a joint panel which consists of five (5) members which includes the Association President or designee, two (2) members selected by the Association and two (2) members appointed by the District and shall be known as the PAR Council.

2. PAR Council members shall serve a three-year term. Members may not serve consecutive terms. A one-year hiatus must be observed before reappointment to the Council. In the first year of implementation, two or three year terms shall be selected by random drawing.

3. The PAR Council year is defined as July 1 through June 30.

- 4. The PAR Council shall establish the internal operational procedures and by-laws of the Council, including the method for the selection of a Chair. Chairs shall serve a one (1) year term. The chairmanship shall alternate between teachers and administrators.
- 5 5. The PAR Council shall establish and administer an annual budget based on annual revenue available for the program. The financial policies and procedures of the Palo Verde Unified School District shall apply.

- The PAR Council shall collaborate with other teacher/staff development programs in
 order to assist and support all participating teachers.
- 7. The PAR Council will recommend the number of Consulting Teachers for the next school year, guided by and subject to such factors as the number of Experienced Participating Teachers and Beginning Participating Teachers.
- 15
 16
 8. The PAR Council shall establish the meeting schedule. A minimum of one meeting a month shall be mandatory with provision for additional meetings to be called by the Chair. Panel members shall be notified, if possible, at least one day in advance of additional meetings.
- 20
 21 9. An official PAR Council meeting shall require a quorum of at least three (3) of the five
 22 (5) members of the panel must be present. No action(s) or recommendation(s) shall be
 23 voted upon unless at least one (1) Association panel member and one (1) District panel
 24 member are present.
 - 10. PAR Council teacher members shall be compensated for services on the Council at a rate of \$2,500 per school year, payable in two installments.
 - 11. The PAR Council in implementing the provisions of this document shall be consistent with the provisions of the Agreement between Palo Verde Unified School District and Palo Verde Teachers Association (Agreement) and the law. To the extent that there is an inconsistency, the Agreement shall prevail. To the extent the Agreement is inconsistent with the law, the law shall prevail. A copy of the adopted PAR Council Rules and Procedures shall be distributed annually to all bargaining unit members and administrators by the Personnel Department.
 - 12. The PAR Council shall be responsible for selecting the Consulting Teachers as defined in the job description. Final selections shall be determined by a majority vote of the Council and submitted to the Board of Trustees no later than the second meeting in May. Notification of the selections shall be given in writing by the Chair to all applicants within ten days of the approval by the Board of Trustees. Names of the Consulting Teachers selected shall be posted in the District Office and all school offices after the applicants and Consulting Teacher nominees have been notified.
- 13. The PAR Council shall identify and provide appropriate training for Consulting
 Teachers prior to their participation in the program.

14. During the month of February the PAR Council shall conduct an annual performance review of each Consulting Teacher. A copy of the review shall be given to the Consulting Teacher.

- 15. The PAR Council shall assign the Consulting Teacher to each Participating Teacher based upon the identified need(s) of the Participating Teachers and the qualifications of the Consulting Teacher. This assignment shall be completed within twenty (20) school days of the initial identification of the participating teacher(s). At the written request of the Participating Teacher, the PAR Council may assign a different Consulting Teacher to work with the participating teacher within two weeks of the initial assignment.

Also, we currently do not have any teachers who are fully released to provide said services. The District would like to experiment with a one-year, nonprecedent-setting arrangement to have a fully-released teacher be responsible for more students not to exceed 20. Throughout the year, the PAR council will monitor the number of students. In the event that the number is too low or too high, the PAR council will adjust the number as appropriate. At the end of the 2007-2008 academic year, the PAR council will establish subsequent year's number of students. OTHER PROVISIONS Continuation of the PAR Program Continuation of the PAR Program is subject to continued funding under AB 1X. However, if the funding ceases the District and the Association agree to sit down and discuss possible continuation of one or more of the elements of the program **Association Rights** This PAR document does not expand nor diminish the unit member's ability to grieve an evaluation pursuant to the negotiated contract between the PVTA and PVUSD.
